

The Moths By Helena Maria Viramontes

Helena Maria Viramontes

The Moths and Other Stories Helena María Viramontes, 1995-01-01 The adolescent protagonist of the title story, like other girls in this pioneering collection, rebels against her father, refusing to go to Mass. Instead, dressed in her black Easter shoes and carrying her missal and veil, she goes to her abuelita's house. Her grandmother has always accepted her for who she is and has provided a safe refuge from the anger and violence at home. The eight haunting stories included in this collection explore the social, economic and cultural impositions that shape women's lives. Girls on the threshold of puberty rebel against their fathers, struggle to understand their sexuality, and in two stories, deal with the ramifications of pregnancy. Other women struggle against the limitations of marriage and the Catholic religion, which seek to keep them subservient to the men in their lives. Prejudice and the social and economic status of Chicanos often form the backdrop as women fight—with varying degrees of success—to break free from oppression. Shedding light on the complex lives and experiences of Mexican-American girls and women, this bilingual edition containing the first-ever Spanish translation of Viramontes's debut collection, *The Moths and Other Stories*, will make this landmark work available to a wider audience.

Growing Up Latino Harold Augenbraum, Ilan Stavans, 1993 A comprehensive collection of Latino writing of fiction and nonfiction works in English.

Under the Feet of Jesus Helena Maria Viramontes, 1996-04-01 A moving and powerful novel about the lives of the men, women, and children who endure a second-class existence and labor under dangerous conditions as migrant workers in California's fields. "Viramontes depicts this world with sensuous physicality...working firmly in the social-realist vein of Steinbeck's *The Grapes of Wrath* and Upton Sinclair's *The Jungle*."—Publishers Weekly One of *The Atlantic's* Great American Novels of the Past 100 Years At the center of this powerful tale is Estrella, a girl about to cross the perilous border to womanhood. What she knows of life comes from her mother, who has survived abandonment by her husband in a land that treats her as if she were invisible, even though she and her children pick the crops of the farms that feed its people. But within Estrella, seeds of growth and change are stirring. And in the arms of Alejo, they burst into a full, fierce flower as she tastes the joy and pain of first love. Pushed to the margins of society, she learns to fight back and is able to help the young farmworker she loves when his ambitions and very life are threatened in a harvest of death. Infused with the beauty of the

California landscape and shifting splendors of the passing seasons juxtaposed with the bleakness of poverty, this vividly imagined novel is worthy of the people it celebrates and whose story it tells so magnificently. The simple lyrical beauty of Viramontes' prose, her haunting use of image and metaphor, and the urgency of her themes all announce *Under the Feet of Jesus* as a landmark work of American fiction. Winner of the John Dos Passos Prize for Literature Selected as the University of Oregon's 2019 Common Reading book

The Oxford Book of Women's Writing in the United States Linda Wagner-Martin, Cathy N. Davidson, 1999 A sumptuous selection of short fiction and poetry. . . . Its invitation to share the passion of women's voices characterizes the entire volume.--USA Today.

The Latino Reader Harold Augenbraum, Margarite Fernández Olmos, 1997 The Latino Reader presents the full history of this important American literary tradition, from its mid-sixteenth-century beginnings to the present day. Their Dogs Came with Them Helena Maria Viramontes, 2007-04-03 From the Publisher: Award-winning author of *Under the Feet of Jesus*, Helena Maria Viramontes offers a profoundly gritty portrait of everyday life in L.A. in this lyrically muscular, artfully crafted novel. In the barrio of East Los Angeles, a group of unbreakable young women struggle to find their way through the turbulent urban landscape of the 1960s. Androgynous Turtle is a homeless gang member. Ana devotes herself to a mentally ill brother. Ermila is a teenager poised between childhood and political consciousness. And Tranquilina, the daughter of missionaries, finds hope in faith. In prose that is potent and street tough, Viramontes has choreographed a tragic dance of death and rebirth. Julia Alvarez has called Viramontes one of the important multicultural voices of American literature. *Their Dogs Came with Them* further proves the depth and talent of this essential author.

Feminism on the Border Sonia Saldívar-Hull, 2000-05-09 Sonia Saldívar-Hull's book proposes two moves that will, no doubt, leave a mark on Chicano/a and Latin American Studies as well as in cultural theory. The first consists in establishing alliances between Chicana and Latin American writers/activists like Gloria Anzaldúa and Cherrie Moraga on the one hand and Rigoberta Menchu and Domitilla Barrios de Chungara on the other. The second move consists in looking for theories where you can find them, in the non-places of theories such as prefaces, interviews and narratives. By underscoring the non-places of theories, Sonia Saldívar-Hull indirectly shows the geopolitical distribution of knowledge between the place of theory in white feminism and the theoretical non-places of women of color and of third world women. Saldívar-Hull has made a signal contribution to Chicano/a Studies, Latin American Studies and cultural theory. —Walter D. Mignolo, author of *Local Histories/Global Designs: Coloniality, Subaltern Knowledges, and Border Thinking* This is a major critical claim for the

sociohistorical contextualization of Chicanas who are subject to processes of colonization--our conditions of existence. Through a reading of Anzaldua, Cisneros and Viramontes, Saldívar-Hull asks us to consider how the subalternized text speaks, how and why it is muted? How do testimonio, autobiography and history give shape to the literary where embodied wholeness may be possible. It is a critical de-centering of American Studies and Mexican Studies as usual, as she traces our cross(ed) genealogies, situated on the borders. —Norma Alarcon, Professor of Ethnic Studies, University of California, Berkeley.

A Companion to Latin American Literature Stephen M. Hart, 2007 The evolution of Latin American literature. A Companion to Latin American Literature offers a lively and informative introduction to the most significant literary works produced in Latin America from the fifteenth century until the present day. It shows how the press, and its product the printed word, functioned as the common denominator binding together, in different ways over time, the complex and variable relationship between the writer, the reader and the state. The meandering story of the evolution of Latin American literature - from the letters of discovery written by Christopher Columbus and Vaz de Caminha, via the Republican era at the end of the nineteenth century when writers in Rio de Janeiro as much as in Buenos Aires were beginning to live off their pens as journalists and serial novelists, until the 1960s when writers of the quality of Clarice Lispector in Brazil and García Márquez in Colombia suddenly burst onto the world stage- is traced chronologically in six chapters which introduce the main writers in the main genres of poetry, prose, the novel, drama, and the essay. A final chapter evaluates the post-boom novel, testimonio, Latino and Brazuca literature, gay, Afro-Hispanic and Afro-Brazilian literature, along with the Novel of the New Millennium. This study also offers suggestions for further reading. STEPHEN M. HART is Professor of Hispanic Studies, University College London, and Profesor Honorario, Universidad de San Marcos, Lima.

Riding Low on the Streets Gold: Latino Literature for Young Adults Judith Ortiz Cofer,2003-10-31 There seemed to be no way out of the custom. Her arguments were always the same and always turned into pleas. 'But, Ama', it's embarrassing. I'm too old for that. I'm an adult, ' Naomi says in Helena Maria Viramontes' story Growing. Ever since Naomi hit high school and puberty, she began to notice that there were too many expectations, and no one instructed her on how to fulfill them. In her tradition-bound family and under the thundering gaze of her father, Naomi struggles to stretch the limitations imposed on her by her family, even as her mind expands along with her changing body. Like Growing, the pieces in this anthology for young adults reveal the struggles of discovering a new self and the trials of leaving behind an old one. This extraordinary collection gathers a wealth of stories and poems that explore the challenges of negotiating identity and relationships with others, struggling with authority, learning to love oneself and challenging the roles society demands of teenagers and adults. Edited by well-known poet and prose-writer Judith Ortiz Cofer, the collection includes work by such leading Latino writers as Pat Mora, Jesus Salvador Trevino, Tomas Rivera, Virgil Suarez, Jose Marti, Viramontes and Ortiz Cofer herself. Included as well are new voices that represent the freshness and vigor of youth: Mike Padilla, Daniel Chacon, and Sarah Cortez. For many students across the United States, this text will serve as their first rewarding introduction to diverse writers of Latino/Latina literature. This beautiful collection gathers a wealth of stories and poems that are studded with the challenges of negotiating identity and learning to love the bodies and worlds in which young adults find themselves. Edited by well-known poet and prose writer Judith Ortiz Cofer, the collection includes work by Pat Mora, Nicholasa Mohr, Tomas Rivera, and Virgil Suarez.

Female Mythologies in Contemporary Chicana Literature Nadine Gebhardt,2007-08 Thesis (M.A.) from the year 2005 in the subject American Studies - Literature, grade: 1,0, Ernst Moritz Arndt University of Greifswald, language: English, abstract: In Mexican-American/ Chicano culture, feminine archetypes from the Mexican tradition play an important role for woman's subjectivity. Traditionally, such archetypes epitomize Catholic-patriarchal constructions of womanhood. Idolized by the figures of the Virgin of Guadalupe, La Malinche, and La Llorona, the most prevailing representations of female sexuality and motherhood evolve around the passive virgin, the sinful seductress, and the traitorous mother. Along the lines of Chicana feminism, the traditional definitions of these feminine archetypes can be seen as promoting an image of woman that is

detrimental to female subjectivity. Although there are three figures, these archetypes evoke a binary opposition that defines woman as either good woman or bad woman, virgin or whore. As such, they limit and circumscribe the Chicana's development of subjectivity. But these cultural icons may also epitomize feminine power, and hence provide the Chicana with possible feminist role models to back up her emancipation. Chicana feminists have employed creative writing to counter the Catholic-patriarchal discourse on the Virgin of Guadalupe, Malinche, and La Llorona. As they explore these cultural archetypes in their novels, short stories, and poems, Chicana feminists attempt to reveal the mechanisms by which the original images of these mythic figures have been subverted, disempowered, and distorted. But most importantly, they seek to deconstruct the virgin/whore dichotomy by rewriting the mythic figures. Through a revision of existing myths, Chicana writers are able to create a feminist mythology that is rooted in cultural tradition but simultaneously serves as an act of resistance to the dominant discourse. This Master's thesis will explore the mythic figures of Guadalupe, Malinche, and La Llorona in all
