**How to Drive Your Competition Crazy** Guy Kawasaki,2011-10-25 If you were intrigued by the title of this book, you are probably the type of business book reader who's had enough of management self-help and touchy-feely tomes, enough of how-to guides that encourage you to take the kinder, gentler approach to competitors, customers, and employees. You are ready for the gloves to come off, and the one thing you'll want in your hands when they do is the first can-do, how-to, kick-butt gonzo guide to driving your competitors off the deep end. In the time-honored tradition of the maxim It's not how you play the game, but whether you win or lose, bestselling author of *Selling the Dream* and Forbes columnist Guy Kawasaki has written the definitive take-no-prisoners guide to help the Davids to beat the Goliaths. The product of Kawasaki's years of experience as an evangelist for the then-upstart Apple and as a computer guru and business strategist, *How to Drive Your Competition Crazy* as an invaluable source book of irreverent and sometimes extreme stratagems in sales, marketing, production, and human resources that will help your company or organization get and keep the upper hand. Whether you are launching a new company or product, consolidating your strength in the marketplace, or trying to hold your own against a competitor with greater resources, *How to Drive Your Competition Crazy* offers a comprehensive blueprint for success. From the initial steps of learning as much about your own company as you do about your enemy to advanced techniques like playing with your opponents' minds, Guy Kawasaki explores every facet of the premise that the best defense is a good offense. Staking territory somewhere between the arts of Zen and war, *How to Drive Your Competition Crazy* is a resource no company can afford to be without.

**Ossuary Campground** Val Ciardullo,2014-04-29 Six close friends decide to go on one more camping trip before the season ends. But their world is turned upside down when the campground they choose, is not like any campground they've ever been to. The campers become trapped at the campground after a storm rolls through, taking down trees and blocking the roads that I lead into town. Suddenly, strange and unusual things start to happen around them. As they uncover the hidden secrets of the campground, dead bodies and bones start to turn up everywhere. They pry too far, putting their own lives at stake. Making it through this camping trip alive is going to be the toughest challenge they have ever had to endure. Not sure whether they will make it out alive or if someone will become a permanent part of the OSSUARY CAMPGROUND.
