10% Happier by Dan Harris - a 30 Minute Summary InstaRead Summaries Staff,2014-04-11 PLEASE NOTE: This is a summary of the book and NOT the original book. 10% Happier by Dan Harris - A 30 Minute Summary: How I Tamed the Voice in My Head, Reduced Stress Without Losing My Edge, and Found Self-Help That Actually Works--A True Story Inside this Instaread Summary: * Overview of the entire book * Introduction to the important people in the book * Summary and analysis of all the chapters in the book * Key Takeaways of the book * A Reader's Perspective Preview of this summary: On June 7, 2004, Dan Harris had a mental meltdown live on television while reading the news on Good Morning America. As Harris read the news, he began to have a panic attack and lost the ability to form coherent words. Four years earlier, Harris had interviewed for, and received, a job with ABC News after seven years at a television station in Bangor, Maine, and a short stint at a twenty-four hour cable news channel in Boston. Harris began at ABC News as the new co-anchor of the overnight newscast, World News Now. However, the anchor he was supposed to be replacing, Anderson Cooper, had decided to stay a little longer. Instead, Harris became a reporter on the weekend edition of the evening newscast, World News Tonight. Soon after, he was allowed to present a story on the weekday edition with Peter Jennings. A few weeks after his story aired on the weekday edition of World News Tonight, Harris was asked by Jennings to do a story on Ralph Nader's presidential campaign. This led to a five year stint as a regular reporter on the show. Working for Peter Jennings was both enjoyable and frightening. Jennings, who was highly exacting in his expectations, approved all the stories personally and would often make unreasonable demands. Jennings also had a habit of reordering the points in a story for no obvious reason and would often steal the best lines of stories for himself. However, it was clear to Harris from the beginning that Jennings was a professional who cared about the connection he fostered between himself and his viewers. During his first year with World News Tonight, Harris was assigned to the religion beat. On September 11, 2001, Harris was waiting to take off on a small commuter plane when he learned of the attack on the Twin Towers. Harris was immediately reassigned to Pennsylvania, where United Flight 93 had gone down. After reporting from Pennsylvania that night Harris drove back to New York and he moved into a hotel near Ground Zero for several weeks to report on the events taking place there...

Summary of the Secret Life of Bees Summary Station,2016-10-23 The Secret Life of Bees by Sue Monk Kid | SummaryBook Preview:In The Secret Life of Bees, the narrator's voice is quite convincing as a 14-year-old girl. Sue Monk

Kidd uses a straightforward style, adding small remnants of magical realism to incorporate the bees, as well as the strange string of events that brings Lily and Rosaleen to the Boatwright house. Using historical markers-like the Civil Rights Act-Kidd manages to keep the story grounded in real events, counterbalancing a few fantastic or eccentric elements, like the pink house and a non-traditional view on religion. The beginning of each chapter features a quotation from nonfiction works that deals with bees and beekeeping. They all serve similar purposes, but much of the quotes are only loosely related to beekeeping. Summary - the Invention of Wings Instant-Summary,2017-10-25 The Invention of Wings - A Complete Summary! The Invention of Wings is a novel written by Sue Monk Kidd. It is about a girl named Hetty (nicknamed Handful) Grimke and her troubled life as a slave in early nineteenth century Charleston, where Hetty is desperately waiting for a better life than the one she lives now. Kidd's novel begins on Sarah Grimke's eleventh birthday. She received Hetty, a ten-year-old girl, as a gift, to be her handmaid. The novel follows Hetty's life over the course of thirty-five years, including her longing for freedom and her destiny, which is very often filled with estrangement, guilt and sorrow. Maybe the best thing about this novel is that the author used a real, historical person, Sarah Grimke, when writing this novel. Kidd did a fine job of combining real-life events with fictional events, which were written in order to make everything even more interesting. The Invention of Wings is very exquisitely written novel, a novel where storytelling is everything. Because in this book, we read not just about the lives of two girls (women later), but we also read about a darkness in American history, the female struggle for freedom and liberation, something that will leave no reader unmoved. Here Is a Preview of What You Will Get: - A summarized version of the book. - You will find the book analyzed to further strengthen your knowledge. - Fun multiple choice quizzes, along with answers to help you learn about the book. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges--how to get relative with the inevitable--you can enjoy a state of success I call catching greenlights. So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. GET YOUR COPY TODAY
