Then, to top it off she finds that he has an equally hot vampire brother vying for her love and who she just might have feelings for too. Ready or not, Casey's life just took a turn for the strange. Join Casey in this sizzling, action-packed first book of a paranormal romance thriller trilogy. HERE IS WHAT A FEW READERS ARE SAYING ABOUT BOOK ONE OF THE STEAMY AND EXCITING VAMPIRE TRILOGY... (From Reader's Favorite Award Review) ...Eileen Sheehan's vivid depiction of a post-apocalyptic world illustrates how dire situations can become. Casey's recollection of her mother dying by gunfire was horrifying. Casey's initial mistrust of Geo was relatable. If some smelly, dirty man approached me it could be alarming. Sybil's reaction to Casey was strange. Since she was a mutated vampire, I doubted she mothered Casey. The supporting characters were well-developed and their importance builds throughout the story. It shocked me to learn that Geo was more than just a messenger. The unpredictable plot took several twists and kept me hooked until the end. I look forward to reading more in the sequel. I recommend Vampire Witch Trilogy to readers who like dystopian stories with vampires, mutants, and rebel survival. (Other Reviews) Whoa!! I desperately want to grab the next book in the series now! The brilliant synopsis and early reviews create such a hype before you even open the book... you feel like you already know the characters. I thought it would spoil some of elements of surprise but no it doesn't. The story is fast paced, gripping, emotional and steamy!! I can't recommend this book highly enough and I will be adding this epic author to my fave list. It grabbed my attention and I seriously couldn't put it down until I finished it that same day! The plot was excellent. Definitely different from anything I've read. All the characters were well thought out and I felt like I really knew them. This book just sucked me in, I just cannot say enough good things. This author goes to the top of my favs list! I will never look at a

paranormal book about vampires the same again. This book deals with humans, mutant humans, vampires, mutant vampires, a New World Order after a nuclear war, and the hatred between the groups. What happens throughout this book had me unable to put it down, but man alive it was intense! One of those reads that if I said anything else about this book, I would be giving away key pieces. There are so many things going on in this book. Things that I did not expect to happen did. Things that I did expect to happen did not. The intrigue, mystery, and thrills in this book kept me on my toes. This book was so good! From the first page I was hooked and it only got better. The romance was sweet and a bit forbidden. The story was intense and fast paced and kept my attention the entire time. The characters were very well developed and relatable. I just really enjoyed this story and highly recommend it. Vampire Witch, by Eileen Sheehan, is a steamy new adult novel guaranteed to smoke your socks off if you like hot vampire romance. This story is told beautifully. Pick up this book. You will not be disappointed. Well worth 5 stars.

Dorothy in the Land of Monsters Garten Gevedon,2019-10-11 Shifters, Zombies, and Vampires? Oh my! My name is Dorothy Gale, and I think I might be dead. When my dog Toto and I got swept up in a twister, we landed in hell. A very colorful hell. Like a rainbow dripping in blood. Now it looks as though this dreadful underworld plagued with vampires, zombies, and shifters will be the site of my eternal damnation. They say this terrifying land called Oz isn't hell or purgatory and escape is possible, but first I must survive the journey down the blood-soaked yellow brick road to the only place in Oz where vampires dare not tread—The City of Emeralds. With enchanted footwear and the help of my three new friends—a friendly zombie, a massive shifter lion, and a heartless axe murderer of evil night creatures (who also happens to be the hottest guy I've ever seen)—Toto and I have a chance to make it to the Vampire Free Zone. When we get there, I must convince the most powerful wizard in this magical land of monsters to send us out of this radiant nightmare and back to the world of the living. They say he's just as frightening as this monstrous land, that he detests visitors, and even the most horrifying creatures cower in his presence. But I must seek him out. And when I find him, I'll do whatever it takes to make him send me home.

A Midnight Dream Mikel Spruill,2019-12-09 A Midnight Dream is about people making decisions, picking a path to take, trying to find their way, not knowing if it's the right or wrong path. But it's a journey they must walk, to see what's at the end. Their whole life could turn upside down or stay the same. Their journey could change everything for the better or worse, about them finding their own way. They may lose, gain, or both on the way, where they may find love or lose love. A Midnight Dream is a walk-through land where anything can happen. It's about fighting for what you believe in, walking away from what they don't need. It's about making the decision that could change their lives.

In the Blood (Book #2 in the Vampire's Witch Saga) Jennifer Abrahams, IN THE BLOOD was inspired by actual events and their resulting, recurring nightmares. Do the choices we make in our past lives haunt us throughout time? That seems to be what's happening to 21-year-old Skyla Jane Judge as she struggles to decide her future. It turns out that the special abilities she's recently discovered stem from spiritual practices she engaged in during a past life. The question is, should she embrace these powers—and her true self—or should she turn her back on all that she has become and could continue to become? Meanwhile, the “den” hums below The French Quarter as its members meditate in their makeshift home. Keeping the clan intact proves to be trickier than ever as they are forced to seek help deep in Louisiana's swamp lands- placing their trust in powerful vampires, witches, and ... each other. Skyla realizes that clarity comes with a cost in this creepy cobblestone town. Her inner turmoil is heightened by the rival affections of two den members. One offers new love, while the other promises the rekindling of a glorious romance from the past. Skyla's heart and soul are very literally at stake, and the effects of her decision are sure to reverberate beyond this lifetime. IN THE BLOOD (48,000 words) is Book #2 of The Vampire's Witch Saga, following Book #1 (THE DEN). Book #3 (THE SEVENTH DAY) of the series is also available for sale.

Whatever the case, she gives in to the lure of Louisiana's voodoo country and doesn't look back. Longing for change, she uncovers a “den” beneath the haunted cobblestone streets of the French Quarter and, in the company of vampires, begins to discover her true self. Skyla embarks
