Sherabim Allen

Life Won't Wait Sherabim Allen,2012-10-02 We are holy women. We are smart women. We are beautiful women. So, why are we still single women? Let's tell the truth; it's easy for us to quote the scripture, 'Wait on the Lord and be of good courage and He shall strengthen thy heart,' but after a while, you don't want to hear that anymore. As a matter of fact, your toes curl; your spine tingles; the hair on the back of your neck rises; and you cringe when someone quotes that scripture to you in answer to your singleness—especially if that someone is married. If it wasn't for the truth of the Word of God, you would tell them to shut up and go away.' Life Won't Wait is for those women who are tired of waiting for Mr. Right to come along. Marriage is a God-given, innate desire; however, when the desire to be married becomes an obsession we can lose focus on the purpose for which God has allowed us to be single. We find ourselves wasting countless hours feeling depression, wallowing in self-pity, and complaining. But we must realize that we need to seek the most productive and meaningful single life possible. You can live a full, productive, and victorious single life to the glory and honor of God! You can have the testimony of being a focused, single Christian woman!

Chocolate Cake with Pepper Achintya Chandra,2022-02-05 It's a simple story of a boy (Rajat) and a girl (Maya) who meet in college and fall in love in no time. The relationship hits a boulder when one of them betrays the other one. With huge support from friends and family and substantial will power, the deceived partner gains back the confidence to lead a normal life. After 9 years, coincidentally, their paths cross again and lead to a consequence very similar to their first encounter, however with a twist. A wholesome love story and ruthless betrayal leading to karma playing its own role. The story brings out a true comparison between what love brings to one's life on the other hand what the short-lived excitement makes a person do even if it leads to disasters. Achintya Chandra has a diverse experience in his profession as well as in academics. With his bachelors in the field of information technology and masters in management, he has worked in Indian MNCs, Global giants and presently, he is working with the Government of India. In all his assignments, he has worked in major projects and continues to do even today. His love for stories and an eidetic memory did not let him stop himself from penning down this uncomplicated work for readers who are looking for light stories to unwind from the regular grind. He completed his

schooling from Lucknow and college from Noida. Currently, he works in New Delhi. He has deep interest in cars, research, technological innovations, and politics.
