Lady Lucie is fuming. She and her band of Oxford suffragists have finally scraped together enough capital to control one of London's major publishing houses, with one purpose: to use it in a coup against Parliament. But who could have predicted that the one person standing between her and success is her old nemesis and London's undisputed lord of sin, Lord Ballentine? Or that he would be willing to hand over the reins for an outrageous price—a night in her bed. Lucie tempts Tristan like no other woman, burning him up with her fierceness and determination every time they clash. But as their battle of wills and words fans the flames of long-smoldering devotion, the silver-tongued seducer runs the risk of becoming caught in his own snare. As Lucie tries to out-manuever Tristan in the boardroom and the bedchamber, she soon discovers there's truth in what the poets say: all is fair in love and war... Rich with subplot, historical detail and beautifully descriptive writing that keeps the pages turning until the delightfully unconventional happy ending.—NPR
