

Beyond That The Sea A Novel

Michael Seilmaier

Beyond That, the Sea Laura Spence-Ash, 2023-03-21 “Spence-Ash has written the novel in eight points of view, but each character is utterly three-dimensional and distinct. This debut novel captivated me from start to finish. —Julia Quinn, author of the Bridgerton Series A sweeping, tenderhearted love story, *Beyond That, the Sea* by Laura Spence-Ash tells the story of two families living through World War II on opposite sides of the Atlantic Ocean, and the shy, irresistible young woman who will call them both her own. As German bombs fall over London in 1940, working-class parents Millie and Reginald Thompson make an impossible choice: they decide to send their eleven-year-old daughter, Beatrix, to America. There, she’ll live with another family for the duration of the war, where they hope she’ll stay safe. Scared and angry, feeling lonely and displaced, Bea arrives in Boston to meet the Gregorys. Mr. and Mrs. G, and their sons William and Gerald, fold Bea seamlessly into their world. She becomes part of this lively family, learning their ways and their stories, adjusting to their affluent lifestyle. Bea grows close to both boys, one older and one younger, and fills in the gap between them. Before long, before she even realizes it, life with the Gregorys feels more natural to her than the quiet, spare life with her own parents back in England. As Bea comes into herself and relaxes into her new life—summers on the coast in Maine, new friends clamoring to hear about life across the sea—the girl she had been begins to fade away, until, abruptly, she is called home to London when the war ends. Desperate as she is not to leave this life behind, Bea dutifully retraces her trip across the Atlantic back to her new, old world. As she returns to post-war London, the memory of her American family stays with her, never fully letting her go, and always pulling on her heart as she tries to move on and pursue love and a life of her own. As we follow Bea over time, navigating between her two worlds, *Beyond That, the Sea* emerges as a beautifully written, absorbing novel, full of grace and heartache, forgiveness and understanding, loss and love.

Beyond the Sea Paul Lynch, 2024-03-26 A haunting story of two men stranded at sea pushing against their limits to stay alive, by the Booker Prize-winning author of *Prophet Song*. Paul Lynch's haunting and sublime novel *Beyond the Sea* tells the story of two South American fishermen, Bolivar and Hector, who go to sea before a catastrophic storm, despite warnings. The storm arrives, and though the two men survive, they are blown hundreds of miles out into the Pacific Ocean, with little hope of rescue. Coming to terms with their new reality, the men are forced to accept their separation from the modern world, their sudden and inescapable intimacy, and the limits of hope, survival, and faith. Part gripping survival story, part fearless

existential parable, *Beyond the Sea* is a meditation on what it means to be a man, a friend, a father, and a sinner in our fallen world. With searing, evocative prose, Paul Lynch crafts a mythic drama that refuses sentimentality and easy answers. Instead *Beyond the Sea* is a hard-won and intimate rendering of the extremes of human life, both physical and mental. It is an ambitious and profoundly moving story. Praise for *Beyond the Sea* [This] stark, mesmerizing book reads like an existential argument between [life's] irreconcilable truths, a Beckett play bobbing in the open water. . . . This fine book contains multitudes of experience. —Sam Sacks, *The Wall Street Journal* An epic with, as epics should have, more than a touch of poetry about it, and possibly the grimmest, but also most beautifully written, novel set at sea that I have read since William Golding's *Pincher Martin*. —Andrew Stuttaford, *New Criterion* A lucid, lyrical tale. . . . Lynch's spare and precise novel has a detached, almost mythical quality. — *The Irish Times*

BEYOND THAT, THE SEA. LAURA. SPENCE-ASH, 2025

Books and Beyond Kenneth Womack, 2008-10-30 There's a strong interest in reading for pleasure or self-improvement in America, as shown by the popularity of Harry Potter, and book clubs, including Oprah Winfrey's. Although recent government reports show a decline in recreational reading, the same reports show a strong correlation between interest in reading and academic achievement. This set provides a snapshot of the current state of popular American literature, including various types and genres. The volume presents alphabetically arranged entries on more than 70 diverse literary categories, such as cyberpunk, fantasy literature, flash fiction, GLBTQ literature, graphic novels, manga and anime, and zines. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's reception, a discussion of authors and works, and suggestions for further reading. Sidebars provide fascinating details, and the set closes with a selected, general bibliography. Reading in America for pleasure and knowledge continues to be popular, even while other media compete for attention. While students continue to read many of the standard classics, new genres have emerged. These have captured the attention of general readers and are also playing a critical role in the language arts classroom. This book maps the state of popular literature and reading in America today, including the growth of new genres, such as cyberpunk, zines, flash fiction, GLBTQ literature, and other topics. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's critical reception, a discussion of authors and works, and suggestions for further reading. Sidebars provide fascinating details, and the set closes with a selected, general bibliography. Students will find this book a valuable guide to what they're reading today and will appreciate its illumination of popular culture and contemporary social issues.

The Novel and the Sea Margaret Cohen, 2021-06-08 For a century, the history of the novel has been written in terms of

nations and territories: the English novel, the French novel, the American novel. But what if novels were viewed in terms of the seas that unite these different lands? Examining works across two centuries, *The Novel and the Sea* recounts the novel's rise, told from the perspective of the ship's deck and the allure of the oceans in the modern cultural imagination. Margaret Cohen moors the novel to overseas exploration and work at sea, framing its emergence as a transatlantic history, steeped in the adventures and risks of the maritime frontier. Cohen explores how Robinson Crusoe competed with the best-selling nautical literature of the time by dramatizing remarkable conditions, from the wonders of unknown lands to storms, shipwrecks, and pirates. She considers James Fenimore Cooper's refashioning of the adventure novel in postcolonial America, and a change in literary poetics toward new frontiers and to the maritime labor and technology of the nineteenth century. Cohen shows how Jules Verne reworked adventures at sea into science fiction; how Melville, Hugo, and Conrad navigated the foggy waters of language and thought; and how detective and spy fiction built on sea fiction's problem-solving devices. She also discusses the transformation of the ocean from a theater of skilled work to an environment of pristine nature and the sublime. A significant literary history, *The Novel and the Sea* challenges readers to rethink their land-locked assumptions about the novel.

Beyond the Bright Sea Lauren Wolk, 2017-05-02 - Winner of the 2018 Scott O'Dell Award for Historical Fiction - From the bestselling author of *Echo Mountain* and Newbery Honor-winner *Wolf Hollow*, *Beyond the Bright Sea* is an acclaimed best book of the year. An NPR Best Book of the Year • A Parents' Magazine Best Book of the Year • A Booklist Editors' Choice selection • A BookPage Best Book of the Year • A Horn Book Fanfare Selection • A Kirkus Best Book of the Year • A School Library Journal Best Book of the Year • A Charlotte Observer Best Book of the Year • A Southern Living Best Book of the Year • A New York Public Library Best Book of the Year "The sight of a campfire on a distant island...proves the catalyst for a series of discoveries and events—some poignant, some frightening—that Ms. Wolk unfolds with uncommon grace." -The Wall Street Journal □ "Crow is a determined and dynamic heroine." —Publishers Weekly □ "Beautiful, evocative." —Kirkus The moving story of an orphan, determined to know her own history, who discovers the true meaning of family. Twelve-year-old Crow has lived her entire life on a tiny, isolated piece of the starkly beautiful Elizabeth Islands in Massachusetts. Abandoned and set adrift in a small boat when she was just hours old, Crow's only companions are Osh, the man who rescued and raised her, and Miss Maggie, their fierce and affectionate neighbor across the sandbar. Crow has always been curious about the world around her, but it isn't until the night a mysterious fire appears across the water that the unspoken question of her own history forms in her heart. Soon, an unstoppable chain of events is triggered, leading Crow down a path of discovery and danger. Vivid and heart-wrenching, Lauren Wolk's *Beyond the Bright Sea* is a gorgeously crafted and tensely paced tale that explores questions of identity, belonging, and the true meaning of family.

The Land Beyond the Sea Sharon Kay Penman,2020-03-03 From the critically acclaimed New York Times bestselling author Sharon Kay Penman comes the story of the reign of King Baldwin IV and the Kingdom of Jerusalem's defense against Saladin's famous army. The Kingdom of Jerusalem, also known as Outremer, is the land far beyond the sea. Baptized in blood when the men of the First Crusade captured Jerusalem from the Saracens in the early twelfth century, the kingdom defined an utterly new world, a land of blazing heat and a medley of cultures, a place where enemies were neighbors and neighbors became enemies. At the helm of this growing kingdom sits young Baldwin IV, an intelligent and courageous boy committed to the welfare and protection of his people. But despite Baldwin's dedication to his land, he is afflicted with leprosy at an early age and the threats against his power and his health nearly outweigh the risk of battle. As political deception scours the halls of the royal court, the Muslim army--led by the first sultan of Egypt and Syria, Saladin--is never far from the kingdom's doorstep, and there are only a handful Baldwin can trust, including the archbishop William of Tyre and Lord Balian d'Ibelin, a charismatic leader who has been one of the few able to maintain the peace. Filled with drama and battle, tragedy and romance, Sharon Kay Penman's latest novel brings a definitive period of history vividly alive with a tale of power and glory that will resonate with readers today.
