*What is Love?* Vijay Shankar Sharma,2018-06-27 Love plays an important part in our lives. Countless books and relationship experts talk about love as the panacea for all ills in the world. With the entire existing knowledge on the subject of love, painstakingly researched for this book, it is clear that no one really knows what love is, how it happens or how can it be given or taken. All that is known are the chemical changes that happen inside people in love or how they feel and other non-specific things. Do you know what is love? Do you think it is possible to define love in a definitive and actionable manner? Do you think there can be actionable guidelines on how to give and get love in any relationship? Do you think love between/for Parents-Children, Siblings, Friends, Pets, Causes and Objects cannot be compared? Do you think love will work in business and leadership? Do you think love will work in all human interactions? Do you think love can be measured? Prepare to be pleasantly surprised!

*Scarlet Roses* Angel Nyx,2017-11-28 Emelise Rousseau Life taught Emelise that you cannot trust a man to be there when you need him. After losing her mother, Emelise moves to New Orleans with high hopes. Just when she thinks are going

smoothly, fate steps in and her world is turned upside down. Caine Bordeaux Caine became Alpha of the Black Water Pard at the age of twenty two. After a failed relationship with a human, he'd resigned himself to the life of a bachelor. Little did he know his world was going to be rocked by a woman who proved that dynamite comes in small packages. \*\*\*\*\* Author's Note: While each book in the series is a stand alone, the first two books run congruent and are closely intertwined, especially the first few chapters of book two. Also, in most shifter books, the mates are the same species. In my world, this is not the case. You will find pairings in this series you might not find elsewhere.

**Music & Lyrics** Emma Lea, 2021-04-06 The complete Music and Lyrics series. Includes Books 1-5: Rock Star - Nate Nash was a rock star...used to be a rock star, now he was just a cautionary tale. Songbird - Stevie Jacks was on her way to the top. Her dreams of being a country music star were on the precipice of coming true, but there was something missing. Nate Nash. Strings - Nadine Court was a hot mess. After crashing and burning in spectacular fashion during her debut tour with her band Court'n Jacks, Nadine had gone to rehab. Now she was ready to try again and hopefully, this time, they might actually finish the tour without ending up in hospital and on the front page of every country music website in the world. Which was why it was a very, very, very bad idea to get involved with her therapist... former therapist. Sticks - A chance meeting between Vanessa Court and Carson Giles had them losing themselves in the physical pleasure of being with someone who didn't expect more. A 'friends with benefits' relationship was what they both needed to blow off steam and reduce the stress in their lives. It was fun. It was secret. And best of all...there were no strings attached. Symphony - The last thing Maeve needed in her life was drama that came in the shape of a six-foot, grumpy musician with control issues. Unfortunately, she needed the job. It was just too bad that six-foot, grumpy musicians were her catnip. So what if it had been a long time since she'd had any adult cuddling...she could keep her hands, and lips, and tongue, to herself, couldn't she?
