James Franco

Palo Alto James Franco, 2010-10-19 Now a “provocative” and “impressive” (Variety) film from director Gia Coppola (Francis Ford Coppola’s granddaughter)—starring Emma Roberts, James Franco, Nat Wolff, and Val Kilmer—the fiction debut from James Franco that Vogue called “compelling and gutsy.” James Franco’s story collection traces the lives of a group of teenagers as they experiment with vices of all kinds, struggle with their families and one another, and succumb to self-destructive, often heartless nihilism. In “Lockheed” a young woman’s summer—spent working a dull internship—is suddenly upended by a spectacular incident of violence at a house party. In “American History” a high school freshman attempts to impress a girl with a realistic portrayal of a slave owner during a classroom skit—only to have his feigned bigotry avenged. In “I Could Kill Someone,” a lonely teenager buys a gun with the aim of killing his high school tormentor, but begins to wonder about his bully’s own inner life. These “spare and riveting” (O, The Oprah Magazine) stories are a compelling portrait of lives on the rough fringes of youth. Palo Alto is, “a collection of beautifully written stories” (Kirkus Reviews, starred review) that “capture with perfect pitch the impossible exhilaration, the inevitable downbeatness, and the pure confusion of being an adolescent” (Elle). Features a bonus essay by James Franco on Gia Coppola’s film adaptation.

A California Childhood James Franco, 2013-06-18 An actor treads the line between reality and fiction every time he plays a part, and for James Franco, that exploration isn’t limited to the screen—he’s also a visual artist with several exhibitions under his belt as well as the author of the widely praised story collection Palo Alto. In A California Childhood he plays with the concept of memoir through personal snapshots, sketches, paintings, poems, and stories. “I was born in 1978 at Stanford Hospital and spent my first eighteen years in a single house at the end of a cul-de-sac in Palo Alto,” Franco writes in his introduction. Steve Jobs’s daughter and the grandson of one of the Hewlett-Packard founders may have both been in his graduating class, but just across the freeway from his home turf lay East Palo Alto, which in 1992 had the highest murder rate per capita in the country. For Franco, the terrain of his upbringing is fraught with the complication of a city divided. But within that diversity, universal aspects of adolescence rise to the surface, and those are the subjects at the heart of Franco’s work. Ultimately this is a portrait of a childhood brightened by California sunshine, but with trouble waiting in the shadows. At turns funny, dark, and emotional, the journey of this book delivers an undeniable immediacy. And at the end, the reader is left wondering just where the boundary lies between Franco’s art and his true life.

Straight James / Gay James James Franco, 2015-12-21 *Straight James / Gay James*, actor James Franco's new chapbook of poems, explores the facets of his public and private personas. *Straight James / Gay James* is a poetic bildungsroman—raw, candid, and uninhibited. James Franco writes about life as an actor, sexuality, questions of identity, gender, family, Gucci, Lana Del Rey, James Dean, Hollywood, and more. His poetic style varies from the imagistic to the prosaic. The chapbook also contains an interview of “Gay James” conducted by “Straight James.” Yes, Straight James asks the question: “Let’s get substantial: are you f*****g gay or what?”

James Franco James Franco, Frank Bidart, Eric Boman, Jason Schmidt, Marianne Spurr, 2012 Considered one of the finest actors of his generation, James Franco is also a multitalented writer and visual artist. Drawing from his experience in film and television work, Franco has produced a visually exciting and thought-provoking body of video works, multimedia installations, and large-scale sculptures. Drawn from the exhibition curated by Alanna Heiss and organized by the Clocktower Gallery, *James Franco: The Dangerous Book Four Boys* explores themes of childhood and nostalgia, games and destruction. Each experimental film, suite of drawings, and raw, childlike construction is presented as a window into the artist's mind. This dense and often diaristic survey reflects Franco's interest in the contemporary American landscape of adolescence and young adulthood.

Nice Things by James Franco Sean Lovelace, Mark Neely, 2016-02-29 This is a work of fiction. Names, characters, businesses, places, events, and incidents have been fed through the elaborate machine of James Franco's imagination. Though passages relating to health, fitness, and creative writing do draw on the author's extensive education, they should not be substituted for the medical advice of physicians.

Hollywood Dreaming James Franco, 2014-09-23 In his follow-up to *A California Childhood*, James Franco reflects on his life in Hollywood and beyond through an intimate and powerful series of poems, artwork, and short stories. In his follow-up to the critically acclaimed *A California Childhood*, James Franco presents a compelling portrait of the life of a young actor coming into his own in Hollywood. Told in an absorbing array of literary styles and art forms—from short stories and poems to personal snapshots, paintings and self-portraits—*Hollywood Dreaming* brilliantly pieces together the youth of a seemingly familiar actor, playfully blurring the line between reality and fiction. The escapades of a jaded Hollywood insider counter a series of inter-connected stories about a boy named Shrimp and the hopeful young actor he becomes. Each piece of the story, whether visual or textual, thoughtfully peels away another layer of the book's protagonist, whose character unfolds like a Russian nesting doll. Ultimately, the collage that James Franco creates becomes a fascinating caricature of himself, a performance on the page that is equal parts provocative, funny, and emotional.

Directing Herbert White James Franco, 2014-03-31 The debut poetry collection by the actor, director, and writer James Franco I'm a nocturnal creature, And I'm here to cheat time. You can see time and exhaustion Taking pay from my face-- In fifty years My sleep will be death, I'll go like the rest, But I'll have played All the games and all the roles. --from *Nocturnal* There's never been a book quite like this. Hollywood -- fame, celebrity, the promise of becoming an artist -- is the beast at its center. Franco knows it like Melville knows whaling. Hollywood in this book devours its young. Obsessed with myths about its own past, it can be survived only by finding a vantage point that is not Hollywood. Bold yet subtle, fearless yet disarming, Franco has made a book you will never forget. -- Frank Bidart, winner of the Bollingen Prize in American Poetry A star-studded cast moves like ghosts across the screen of James Franco's poetic consciousness, imbuing the writing with scenes of icons who are also humans replete with sorrow and presence in our own psyches. James Dean, Monica Vitti, Catherine Deneuve, Sal Mineo, Heath Ledger, pass and fade. The author has a wonderful self-reflexive insouciance about his own fame and roles inhabited, from Hart Crane to Allen Ginsberg to Harvey Milk's lover. Franco is a gifted contemporary Renaissance kind of guy, surveying the waterfront of illusion, suffering, and impermanence. We leave the movie theater a little wiser. -- Anne Waldman, poet, editor, scholar, and cultural/political activist

The Celebrity Interview Book Nadja Sayej, 2017-09-28 The Celebrity Interview Book is a collection of 21 interviews with some of the world's biggest stars who dish their deepest tales. These interviews were conducted by entertainment journalist Nadja Sayej and this is her greatest hits from the past seven years. Her first book, there are photos of the stars from the writer's personal archive, an introduction explaining what it's like meeting them alongside the uncut interview. For this first volume of interviews, she spoke with Susan Sarandon on spending Christmas with refugees in Greece, Jean Paul Gaultier on making his childhood dream come true, Yoko Ono philosophizing about turning 80, James Franco on making art and Wyclef Jean on the political fate of America. There are also interviews with Dita Von Teese, Faith Evans and Bill Nye, among others. This book is filled with anecdotes of sneaking into VIP parties (as well as sneaking out of boring ones), speaking up, shouting out, shutting up and letting the bizarre quirks of the rich and famous speak for themselves. They were all possible by going the unconventional route. As Katherine Hepburn once said: If you obey all the rules, you miss all the fun.
