**Gerald Martinez,Diana Martínez,Andres Chavez**

Jeffrey Hunter Paul Green,2014-04-22 Jeffrey Hunter is best remembered today for his roles as half-breed Martin Pawley in John Ford's classic western *The Searchers* (1956), as Jesus Christ in Nicholas Ray's *King of Kings* (1961) and as Christopher Pike, the first captain of the U.S.S. *Enterprise*, in the original *Star Trek* pilot. This work chronicles Hunter's entire film and television career from his beginnings as a 20th Century-Fox contract player to his untimely death in 1969 at the age of 42. Fellow 20th Century-Fox contract player Robert Wagner provides the Foreword and contributes his memories of working with Hunter. Former vice president and head of Desilu Studios Herbert F. Solow discusses Hunter's role in the original *Star Trek* pilot and Lloyd J. Schwartz shares his memories of being present at Hunter's audition for the role of Mike Brady in *The Brady Bunch* (1969). Hunter's lost film *Strange Portrait* (1966) is also discussed in detail and his radio and theatre career highlighted.

*Feature Films, 1960\_1969* Harris M. Lentz III,2001-08-07 This is a filmography, in two volumes, of not only all of the English-language movies made during the 1960s that had a U. S. theatrical release but major foreign films exhibited in the United States as well. The following information is provided for each film: year of release, nation of origin if other than the U.S., production or distribution company, black and white or color, running time, genre, production credits, cast and characters, and a brief synopsis. This turbulent decade is unusually interesting in the history of cinema. Those films released in the early part of the decade were similar to those of the 1950s, but as the years passed, the offerings changed in many ways.

**Western Film Highlights** Henryk Hoffmann,2015-07-11 Westerns may have had their heyday, but they remain popular. The greatest films from 1914, when *The Squaw Man* and *The Virginian* were among the genre's best, through 2001, when *American Outlaws* and *Texas Rangers* were tops, are the subject of this work. For each year, the author names the outstanding western films in the following categories: picture, screenplay (original and adaptation), direction, cinematography, music, male and female leading roles, and male and female supporting roles. Also for each year, the author lists the westerns that received Academy Award nominations (and those that won), makes note of the births and deaths of notable actors, directors, producers, composers, cinematographers, authors and other such personalities, and describes the genre's significant achievements.

**What it Is, What it Was** Gerald Martinez,Diana Martínez,Andres Chavez,1998-10-18 From Shaft to Superfly, Foxy Brown to Cleopatra Jones, What It Is...What It Was! presents a vivid pictorial and oral history of the best movies to emerge from a singularly American film movement. The book explores this film explosion. Between 1970 and 1980 over 200 films with Black themes including family dramas, mysteries, horror films, comedies, and action films, were released by both major and independent studios. The book preserves cinema history with the first book to highlight the movie poster artwork while presenting the people who created this history on screen. With the increased use of photography, this period would be the last time that top artists would draw and paint the vibrant bold movie poster images that in themselves were classics. Groundbreaking producer-director-writer Melvin Van Peebles, actors Fred Williamson, Pam Grier, and William Marshall, composer Isaac Hayes, along with many other artists, talk about this body of cinema that has withstood the test of time and influenced American culture. The films are described as powerful, funky, sexy, exuberant, violent, hip, and just plain fun. They also became a target of debate as some coined the sweeping term blaxploitation. Samuel L. Jackson, John Singleton, Reginald Hudlin, Ice-T, Keenen Ivory Wayans, Quentin Tarantino, and others offer insightful commentary into the history and impact of the films in their work.--back cover.

"A" *Western Filmmakers* Henryk Hoffmann,2000 From High Noon to Unforgiven, the A Western represents the pinnacle of Western filmmaking. More intellectual, ambitious, and time-consuming than the readily produced B or serial Westerns, these films rely on hundreds of talented artists. This comprehensive reference work provides biographies and Western filmographies for nearly 1,000 men and women who have contributed to at least three A Westerns. These contributors are arranged by their role in film production. Cinematographers, composers, actors, actresses, and directors receive complete biographical treatment; writers whose work was used in at least two Westerns are also featured. An appendix lists well-known actors who have appeared in either one or two A Westerns, as specified.
