Your First \$1000 Joanna Wiebe, 2022-12-01 You can make an extra \$1000 a month with a copywriting side hustle. Did you know that copywriters are among the highest-paid professionals in the world? Some direct-response copywriters have bought vacation homes with the pay from a single sales letter. And with the massive migration of businesses to the online world, the need is greater than ever to hire freelancers who can write emails, ads, websites and sales pages. Which means NOW is the perfect time to get paid to write. What could earning an extra \$1000 a month with copywriting mean? • Catching up on bills • Replenishing your savings account • Making a sizable monthly payment on your student loans • Taking a family vacation this year • Getting that new computer you've had your eye on • Saying "Yes" to your kids' new activity... and all the equipment they need for it Joanna Wiebe, founder of Copyhackers, shows you exactly how to make money online from home with one of the highest-paying side hustles out there: freelance copywriting. In the first few chapters, Joanna takes you step-by-step through the exact actions you can take to make \$1000 a month on the side (in just 5 hours a week). And what to do to get your first paying side gig in the next 7 days. There's no need to go through expensive training or buy tricky software. If you have a Google Doc... you can earn. Your First \$1000 is perfect for you if even TWO of the following are true for you: ☐ You want a creative side hustle that's in demand ☐ You like writing ☐ You seek the freedom of a freelance lifestyle ☐ You've just quit your job... or you really want to ☐ You're a seasonal worker with gaps in your calendar ☐ You see \$1000 as a tiny first step toward great wealth In the first book of The Rich Writer Series, you get actionable client-getting techniques, real-life examples and checklists. Lots of checklists. You'll also hear stories from freelance copywriters who have used these tactics to make consistent cash with copywriting.
