**Diane Robertson**

Tears from Heaven: Voices from Hell Diane Robertson, 2002-03-05 In *Tears From Heaven; Voices From Hell* capital punishment issues are discussed from the viewpoint of the victims of violent crime and from those condemned to die on America's death rows. *The Death Penalty* D. J. Herda, 2016-12-15 The death penalty is surely one of the most highly contentious points the Supreme Court has had to weigh in on. Whether you believe in the death penalty or not, the *Furman v. Georgia* case was groundbreaking in its decision to stay Furman's execution because it was arbitrary and, very possibly, racially motivated. Though it did not stop capital punishment, the case changed the way states had to weigh their decisions. Also included are questions to consider, primary source documents, and a chronology of the case.

**Pros and Cons** S. Clara Kim, 2001 This book provides in-depth analyses of ten major controversial social policy issues currently on the national debate forum that are closely related to our lives and community. The key topics are: abortion, affirmative action policy, the death penalty, gun control, health care reform, human cloning, physician-assisted suicide, social security reform, school voucher program, and welfare reform. For those interested in sociology and political science.

**Reason in the Balance** Sharon Bailin, Mark Battersby, 2016-02-11 Unlike most texts in critical thinking, *Reason in the Balance* focuses broadly on the practice of critical inquiry, the process of carefully examining an issue in order to come to a reasoned judgment. Although analysis and critique of individual arguments have an important role to play, this text goes beyond that dimension to emphasize the various aspects that go into the practice of inquiry, including identifying issues and relevant contexts, understanding competing cases, and making a comparative judgment. Distinctive Features of the Text: Emphasis on applying critical thinking to complex issues with competing arguments Inclusion of chapters on inquiry in specific contexts Attention to the dialogical aspects of inquiry, including sample dialogues Emphasis on the spirit of inquiry The Second Edition Features: Updated examples and items of current interest New dialogues on vaccination, prostitution,

and climate change New material on biases in reasoning, including emotional, psychological, social, and cognitive The Reason in the Balance Website includes: An Appendix on Logic Exercises Quizzes

The Death Penalty in America Hugo Adam Bedau,1998-05-28 InThe Death Penalty in America: Current Controversies, Hugo Adam Bedau, one of our preeminent scholars on the subject,provides a comprehensive sourcebook on the death penalty, making the process of informed consideration not only possible but fascinating as well. No mere revision of the third edition of The Death Penalty in America--which the New York Times praised as the most complete, well-edited and comprehensive collection of readings on the pros and cons of the death penalty--this volume brings together an entirely new selection of 40 essays and includes updated statistical and research data, recent Supreme Court decisions, and the best current contributions to the debate over capital punishment. From the status of the death penalty worldwide to current attitudes of Americans toward convicted killers, from legal arguments challenging the constitutionality of the death penalty to moral arguments enlisting the New Testament in support of it, from controversies over the role of race and class in the judicial system to proposals to televise executions, Bedau gathers readings that explore all the most compelling aspects of this most compelling issue.
