Barrie Brett

One Moment In Time Linda Hudson-Smith,2002-10-01 When Tarynton Batiste encounters her college sweetheart, TV sportscaster Drakkar Lomax, they pick up where they left off years earlier, getting a second chance at love as they celebrate Kwanzaa together. Original.

One Moment in Time Lauren Barnholdt,2015-06-16 The second book of Lauren Barnholdt's exiting Moment of Truth series: three books, three girls, one life-changing senior trip. When the email arrived in Quinn Reynolds's in box on the morning of her flight to Florida, she sent it straight to her trash folder. The last thing Quinn needed was to be reminded of the pact she made with her ex-best friends—the one where she promised she would do something crazy before graduation. But that was before everything on the trip went wrong. Now, after a lifetime of playing it safe, Quinn figures that she might as well get a little wild...after all, what does she have to lose? When Abram, a local boy she met on the beach, asks her to hang out, she says yes. But while a vacation romance could be the best way to fulfill the pact, it might be the worst thing for her heart.... Each book in this trilogy is told from the perspective of a different girl—Lyla, Aven, and Quinn—former best friends who, back in freshman year, wrote emails to their future selves about the one thing they hope to accomplish before they graduate. Over the course of the series, each girl will learn about life, love, and the truth about the fight that ended their perfect friendship.

Cuba: One Moment in Time Jackie Cannon,2016-04-15 In December 2014, Cuba and the United States resumed diplomatic relations after over half a century of hostility and political distance. The following year saw many visits to the island of US governmental representatives and others, as well as the opening of reciprocal Embassies in Havana and Washington. President Obamas March 2016 visit to the island represented the first by a serving US President since 1928. Far removed from the soaring ruminations of international diplomacy, however, Cuba: One Moment in Time reflects an intimate journey of exploration into elements of life as lived on the island and the ongoing challenges faced. It is a collection of observations: testimony, memoir, and struggle to understand a country with many contradictions. It captures a moment in time. This moment ... the one filled with expectation, hope, curiosity, pride, anticipation, and caution.

The Benefits of a Bankrupt Life Toni Luck,2018-04-04 This is an ode to all my sisters who have thought that they could not go on, But then, heard the voice of destiny's love and risked all, for life .In my worldview, this lady that you are about to

meet was real, but suppose she was not real, suppose it is just a story, a fairytale it yet has all the elements of what confronts far too many women today loneliness, despair, alienation, separation, doubt, fear, poverty of both purse and spirit. And, the question it poses - how do we get out of these places? And the answers it provides by coming to the reality that placed within us at our beginning, is such enormous power hidden within every fiber of our being that we can create the world that we want, the world that we desire, the world that expresses our highest self, our real self. We come face to face with Gods revelation to Einstein that e really does equal mc^2 How I so agree with the American Writer, Orison Sweet Marden when he says, The golden opportunity you are seeking is in yourself. It is not in your environment, its not in luck, or chance or the help of others. It is in you alone I thank you for coming on this journey of discovery with me.

Moments of Being Barrie Brett,2009-09-01 True stories from Brendon Burchard, F. Murray Abraham, and other high-profile contributors on the turning points that changed their lives. Can one moment, one brief encounter, change the course of the rest of your life? If so, how will you recognize that moment? Will you let it pass you by? Will you let it defeat you? Or will you allow that moment, that experience, to help shape who you are and who you might become? Moments of Being reveals true stories that altered lives forever. Join celebrities, athletes, business and community leaders, and men and women from all walks of life as they share their amazing "twist of fate" tales. These are stories of courage, destiny, reunions, love, sacrifice, dreams, and the fears and triumphs that are an integral part of the human experience. More than that, they illustrate that, by recognizing and acting on a single, pivotal moment, a person can change his or her life forever. "A fabulous wake-up call . . . a must read." —Donna LeBlanc, author of *The Passion Principle*

This fourth edition has been fully revised and expanded to include even more acts than ever before, with additional sections to cover Band Aid-style charity congregations and compilation albums from the early '80s K-Tel efforts through to the Now That's What I Call Music series and its competitors. Compiled by Steve Binnie, editor of the '80s music website Sound of the Crowd and writer, producer and co-host of the unconventional '80s chart show Off The Chart, broadcast weekly on Mad Wasp Radio.

Embracing the Spirit Emilie Maureen Townes,1997 This book continues the conversations begun in Emilie Townes's path-breaking *A Troubling in My Soul: Womanist Perspectives on Evil and Suffering*. Once again, Townes brings together essays by leading womanist theologians, interweaving a concern for matters of race, gender, and class, as these bear on the survival and well-being of the African-American community. In *Embracing the Spirit* the emphasis is not on evil and suffering, but on hope, salvation, and transformation for individuals and their communities.
