Gay and Lesbian American Plays Ken Furtado, Nancy Hellner, 1993 Documenting the explosion of contemporary gay and lesbian theater, this bibliography provides a single reference for American gay and lesbian plays, playwrights, and companies, containing listings for more than 700 plays whose primary characters or themes are gay or lesbian. In addition to authors, titles, and synopses, the entries include information about acts, characters, settings, and music. Appendices provide data on how the plays can be obtained, a list of theaters that produce works with gay/lesbian themes, names and addresses of playwrights and agents, a list of related references, and a matrix for the quick location of plays that meet certain criteria. Indispensable for repertory companies, producers, directors, actors, and scholars.

San Francisco Jazz Medea Isphording Bern, 2015-01-05 San Francisco is probably best known for its hills, ubiquitous fog, dungeness crab and the Golden Gate Bridge. But jazz music's threads are similarly woven into the fabric of the city and its environs. Whether performed in renowned clubs like So Different, Jimbo's Bop City, Black Hawk, and the Jazz Workshop or in halls like the Primalon Ballroom and Great American Music Hall, jazz has infused the city from the Barbary Coast to the Fillmore, thrilling audiences for over a century. San Franciscans have grooved to and incubated scores of jazz acts, hot and cool, raucous and contemplative. That tradition continues today.

Back to Williamsburg Kerry A. O'Brien, 2008-02 Sarah O'Higgins faces the challenges of coming of age in Colonial Williamsburg, Virginia, where she begins to imagine a fairy-tale life in which hers could take. The story traces the trajectory of her beginnings in Williamsburg, the familial pasts of her Northern mother and father, and the discovery of her Prince

Charming, whose historical roots are linked to the fifteenth President of the United States. The brief love affair is magical, but leads to a not-so-happy Cinderella ending when William, her Prince Charming, takes an extended trip to South America and becomes enamored with Latin American culture and women. After she realizes that her fairy-tale love is lost, she searches for remnants of her lost love in the countries of South America in an attempt to understand the lure. Without a clear understanding of his attachment to Latin America, Sarah turns her Cinderella story gone sour into a journey of discovery and opportunity for new beginnings.

Off Broadway Musicals, 1910-2007 Dan Dietz,2010-03-10 Despite an often unfair reputation as being less popular, less successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular A Chorus Line and Rent to more off-beat productions like Avenue Q and Little Shop of Horrors. And while it remains to be seen if other popular Off Broadway shows like Stomp, Blue Man Group, and Altar Boyz will make it to the larger Broadway theaters, their Off Broadway runs have been enormously successful in their own right. This book discusses more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters; the opening date and number of performances; the production's cast and creative team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the book also includes a preface, a bibliography, and 21 appendices including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.
