Red Head Julia Pylypenko,2025-01-31 Julia Pylypenko is a young writer and scriptwriter in the field of PR. She speaks English, French, and Italian. In 2007, she became the world champion in singles and doubles tennis at the XVI World Championship for people with transplanted organs (Bangkok). Ten years ago, Ukrainian doctors sentenced Julia to pass away by her eighteenth birthday. This book is a diary and a confession, where each line is not the author's imagination, but real events from her life. Julia's story takes us back to those days when it seemed to her that nothing could change, when she did not recognize her face and body, and her red hair looked purple in the mirror, having changed color overnight... With amazing frankness and optimism, which in such circumstances seems incredible, Julia tells us how she re-learned to love life and enjoy it, which becomes the most Important thing when you are u are born again. This book Is not just a story of the struggle between life and death; it is also a story of love. For a man, for life, for herself. Have you ever wondered what you would do if it were the last day of your life? Then this book is for you.

An Anthology of French and Francophone Singers from A to Z Michaël Abecassis,Marcelline Block,2018-06-11 Every musical form has had an impact on the linguistic practices of our society. French song is a vector of cultural, social, and stylistic values. Throughout the world, songs in the French language are used in the teaching of French: professors incorporate songs into the curriculum in order to illustrate differences of register and linguistic variation, as well as to raise lexical or grammatical questions. As a form of popular expression, song is a genre that has, in recent years, become the focus of serious academic scholarship and criticism. However, few linguists have paid attention to French song and its linguistic uses. This richly illustrated mini-dictionary about French singers fills this gap by offering a collection of portraits of the greatest singers of the French language and how they have constructed the musical landscape in both France and the larger francophone community and the world as a whole. Through (re)discovering these classic and contemporary artists who contribute to the creation of the sonorous universe of the 20th and 21st centuries, the volume determines how these musical genres influence the French language and nourish our collective imagination. By plunging into francophone song, one can achieve a better understanding of the culture and the language of its speakers.

Je Suis Malade Marcus Vinícius Menezes,2017-10-31 Um cara tem um fim de caso com uma mulher, semelhante ao fim de caso cantado na música homônima de Dolores Duran, levando esse fim de caso a fazê-lo entrar em desespero por paixão, o qual ele tentava aplacar cantando aos gritos de desespero a música Je suis malade, vendo-a ser cantada, em vídeo na internet, ora pela Dalida, ora pela Lara Fabian, assim foi exorcizando sua paixão pela ex, tendo ele um dia encontrado a ex amiga dela, a quem convidou para irem a um restaurante que ele frequentava e considerava parecido com o restaurante em que Al Pacino matara, a sangue frio, com vários tiros queima roupa, dois inimigos de sua família, e nesse restaurante ele e a ex amiga de sua ex conversaram sobre várias coisas da vida e da morte, indo depois para o apartamento dela, dormindo juntos parte da noite, a grande parte não dormindo, mas fazendo amor, até que o dia amanheceu e uma nova vida começou para os dois, uma nova vida que era continuação da vida que já estava neles em curso.
