Moş Crăciun cu plete dalbe... ,2001

The World Encyclopedia of Christmas Gerry Bowler,2012-10-23 At last, a truly comprehensive look at Christmas and all of its customs with its long history around the world. The World Encyclopedia of Christmas contains articles on the history of Christmas baking, drinking, and merrymaking, and Christmas dramas, music, literature, art, and films. It includes entries on the evolution of the Christmas tree and the Christmas card, gift-giving, and decoration of church and home. There are profiles of the many gift-bringers, from Santa Claus to Babouschka, and miraculous tales of the numerous saints associated with the season. And there are histories of seasonal celebrations and folk customs around the world, from the United States to Japan, from Egypt to Iceland. Who, for example, knew the links between the Punch and Judy show and Christmas? That the medieval Paradise tree hung with tempting apples was the forerunner of the Christmas tree? About the Peerie Guizers, who terrorized the Shetland Islands, going door-to-door for Christmas charity? Or what Freudians make of our interest in Christmas stockings and Santa's entrance through the chimney? There are detailed accounts of Wren Boys and Star Boys, mumming and wassailing, the Feast of Fools and the origins of eggnog. And of course stories of the Nativity and legends of the Magi. With beautifully illustrated accounts ranging from the pagan roots of Yuletide, through the birth of Christ, and the long and fascinating history of the festival ever since, The World Encyclopedia of Christmas, is a rich and continually surprising array of religious and secular history, trivia, literature, and art. This wonderful book deserves to find a home with every family that celebrates Christmas.

53 Years of Marriage (23 in Socialism and 30 in Capitalism) Sevastita Lazarescu,2019-12-26 In today's world of fast changing technology and Instagram influencers, this is a story of enduring love, of two people who met, fell in love and got married 53 years ago. The story of their marriage is one of true love, the kind that grows stronger as time passes, no matter the challenges and obstacles in its way. Though they started from nothing three times in their lives, the power of their love, respect, perseverance, spirit of sacrifice and last but not least their sense of humour helped them to grow closer through the years.
