

Of Men And Mountains

Irving Stone

Of Men and Mountains William O. Douglas,2013-04-16 William O. Douglas was one of that rare mix of man that helped define America, a judge of the supreme court and also a lifelong outdoorsman. This is his story in his words and conveys the joy he felt for the wild untouched vastness of the great forests and the high snow capped peaks which he pitted himself against. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Of Men and Mountains William Orville Douglas,1950 The author, Supreme Court Justice, William Douglas, recounts his adventures in the Cascade Mountains.

Of Men and Mountains William O. Douglas,1990-05-01 The Supreme Court Justice tells of his adventures while exploring the mountains of Washington at first for therapeutic reasons and later for recreation

Mover of Men and Mountains R. G. LeTourneau,2009-06-01 Despite early failures, R. G. LeTourneau rose to eminence in the competitive world of manufacturing and construction. Although his competitors thought him insane, history has proved that his inventive genius was decades ahead of its time. His combination of enterprise and Christian commitment led to his sponsoring many works involving missions and education, including LeTourneau College, a Christian liberal arts and technical school in Longview, Texas. Through a lifetime of business ventures, this engineering genius put faith into action and reaped big rewards. (More than 100,000 in print)

Men to Match My Mountains Irving Stone,1987-03-15 Acclaimed author of biographical and historical fiction Irving Stone turns his magnificent talent to telling America's most colorful and exciting story—the opening of the Far West. Men to Match My Mountains is a true historical masterpiece, an unforgettable pageant of giants—men like John Sutter, whose dream of paradise was shattered by the California Gold Rush; Brigham Young and the Mormons, who tamed the desert with Bible

texts; and the silver kings and the miners, who developed Nevada's Comstock Lode and settled the Rockies. America called for greatness...and got it. There is nothing in history to match the stories of these men who braved wilderness to bring new nation to the shores of the Pacific.
