You Are a Sovereign Being Mary Paleologos, 2023-01-03 Through darkness comes light, through fear comes love. and through pain comes the triumph of the human spirit. We are all sovereign beings who possess a powerful source of strength, compassion, kindness, and love gifted to us by God. In an inspiring true story of triumph, Mary Paleologos chronicles her personal journey as she bravely battled three brain hemorrhages and an eating disorder—all while unveiling timeless truths

about our true nature and spiritual identity. It was not until she healed, awakened, and transformed her life experiences and embodied the truth of who she really was that Mary truly understood the meaning of sovereignty and how it is given to all of us at birth by God. Through her spiritual wisdom and glimpse into her journey to the truth, Mary gently reminds believers that we are all overcomers with a God-given inner authority and the power to pursue our divine purpose. Included are tools and practices that will help anyone navigate the dawn of a new era as a sovereign being. *You Are a Sovereign Being* is an inspirational story of triumph that offers insight and wisdom about the God-given authority that lies within all of us.

How to Make Love Pietro Ramiriz, Sr.,2006-11

Virtues of the Flesh - Passion and Purity in Early Islamic Jurisprudence Ze'ev Maghen,2004-11-01 Robust sexuality, profound spirituality and elaborate legalism are, at first glance, strange bedfellows. The conventional Western wisdom has long conceived of these several modes as comprising an antagonistic trichotomy, in which each component is opposed to the others. Classical Islam, on the other hand, envisioned a unique system of cooperation between the sensual, the ethereal and the forensic. This study employs the vast and hitherto neglected literature of Islamic purity law as a looking glass through which to examine early Muslim attitudes to the romantic and erotic. Probing Qur'ān, Ḥadīth, Tafsīr and Fiqh, it opens a window on a world of unexpectedly explicit and unrestrainedly joyful sexual expression -- a world located squarely within the confines of God's sacred law and its elucidation.

Love Unfolded Abdur Rahim,2019-08-08 Where there is love there is life. But what love is? To understand love at the deepest level, we need to know what love is and how it is explained? The book is for the general public of all sections of global society and culture. The three key messages readers shall take away from this book. They are: a) love is the essence, b) marriage is a bond, and c) sex is the ultimate supreme pleasure of life. Explaining these themes, attempts have been made to broadly discuss about the topics, bringing together various ideas from diverse sources, historical periods, cultures, and philosophical perspectives, along with contemporary empirical work from psychology, sociology, anthropology, and neuroscience. The readers not only will enjoy the many flavors of the substance of the book but also get the facts and analysis of why we approach love, marriage, relationships, and observed or unobserved differences between men and women, and what social, historical, cultural, political, evolutionary, or biological factors might influence them. Nonetheless, the substance of the book tells the inner most words of every men and women that are being preserved since their young age. Finally, the book will be of good values and understanding with readers' own journey of love, marriage, and relationship. These are the reasons why the readers will buy the book. The main objective of the book is to let the readers rethink about

the changing pattern of love and relationships over time.

A Terrible Passion and a Marvelous Love Patrick Paul Hogan,2005 The Panhellenion established by the philhellenic emperor Hadrian represents the institutionalization of the world of elite intellectuals of the High Empire. It not only united many Greek cities in a celebration of their Greek heritage but also clearly shows Roman sponsorship for such a heritage and the community of interests of Greek and Roman intellectuals.
