Milk and Honey Rupī Kaur : Book Summarised Before You, 2017-03-19 Milk and honey is a bestselling collection of poetry by Rupī Kaur. It's divided into four chapters or parts: The Hurting, The Loving, The Breaking, The Healing. As you read it, you'll notice that every other poem in the book is accompanied by an illustration hand-drawn by the author. Most of the poems in the collection are written from the point of view of a woman who was sexually abused as a child and an adult. This abuse permanently alters the way she thinks of and relates to the world, affecting her relationship with her father (and with men in general). Each chapter of the book focuses on a different part of the speaker's life, following her from childhood (The Hurting) to her first good relationship (The Loving) and through her breakup and healing process.

Poetry Unbound Mike Chasar, 2020-04-28 It's become commonplace in contemporary culture for critics to proclaim the death of poetry. Poetry, they say, is no longer relevant to the modern world, mortally wounded by the emergence of new media technologies. In Poetry Unbound, Mike Chasar rebuts claims that poetry has become a marginal art form, exploring how it has played a vibrant and culturally significant role by adapting to and shaping new media technologies in complex, unexpected, and powerful ways. Beginning with the magic lantern and continuing through the dominance of the internet, Chasar follows poetry's travels off the page into new media formats, including silent film, sound film, and television. Mass and nonprint media have not stolen poetry's audience, he contends, but have instead given people even more ways to experience poetry. Examining the use of canonical as well as religious and popular verse forms in a variety of genres, Chasar also traces how poetry has helped negotiate and legitimize the cultural status of emergent media. Ranging from Citizen Kane to Leave It to Beaver to best-selling Instapoet Rupi Kaur, this book reveals poetry's ability to find new audiences and meanings in media forms with which it has often been thought to be incompatible. Illuminating poetry's surprising multimedia history, Poetry Unbound offers a new paradigm for understanding poetry's still evolving place in American culture.

Women Writing Trauma in Literature Laura Alexander, 2022-10-17 This collection features studies on trauma, literary theory, and psychoanalysis in women's writing. It examines the ways in which literature helps to heal the wounded self, and it particularly concentrates attention on the way women explain the traumatic experiences of war, violence, or displacement. Covering a global range of women writers, this book focuses on the psychoanalytic role of literature in helping recover the voices buried by intense pain and suffering and to help those voices be heard. Literature brings the unconscious into being and focus, reconfiguring life through narration. These essays look at the relationship between traumatic experience and literary form.

Indian Popular Fiction Prem Kumari Srivastava, Mona Sinha, 2021-11-24 The scholarly essays in this book open up experimental and novel spaces and genres beyond the traditional and the literary world of Indian Popular Fiction as it existed towards the end of the last millennium. They respond to the possibilities opened up by the technology-driven and internet-savvy reading and writing world of today. Contemporaneous and bold, most of the essays resonate with the racy and fast-paced milieu and social media space inhabited by today's youth. Combative in its drift, this book makes possible an attempt to disband hierarchies and dismantle categories that have engulfed the expansive landscape of Indian Popular Fiction for too long. It facilitates discussion on graphic novels, microfiction, popular-entertainment and political satire on television and celluloid, social media-driven romances existing in the domain of the 'real' rather than that of 'fantasy' and mythological readings against the backdrop of gender and politics. Aimed at facilitating further research by scholars and enthusiasts of Indian Popular Fiction, this book is also an ode to the current trends generated by social and internet media cosmos. This book is co-published with Aakar Books, New Delhi. Taylor & Francis does not sell or distribute the print versions of this book in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka.
