Domo's Quotes of Inspiration Part 1 D.J. Domo ,2023-07-24 On a daily we all go through things. Some expected and some unexpected. Some we can control the outcome and others we can't. As I went back and thought about my hard times and the quotes I came up with while trying to press forward through all my tribulations and trials. These quotes seem to make a lot of sense today. So why not share them, and hopefully they can help you right along with words of inspiration. For so long after dealing with my hard times I've always been someone who people can come to talk to. We all need someone to vent to. Not everyone is genuine with that listening ear either. I've given real advice and am not judgmental while giving it. I allow people to see things both ways and advise them of what I would do. When I approach the conversation with the advice, I give I don't force a person to take my advice and use it. The final choice is up to you to make the final decision in whatever choice you choose to use and I'm going to support you every which way. Everyone needs, deserves, and go looking for encouragement. That happens often. So why not a better way to incorporate quotes with genuine words of encouragement to inspire someone within this book.
