Facebook Quotes and Status Updates Silver S.,2014-08-02 Facebook Quotes and Status Updates Volume 1 is the perfect read for lovers of quotes that are edgy, slightly out there and sometimes R-Rated. These are not your usual quotes! These quotes will have you laughing out loud, shaking your head or saying. Oh, no, he (or she) didn't! This book brims with quotes on a wide range of accessible topics. Who can't relate to quotes about love, marriage, or relationships? There is an entertaining chapter packed with alcohol and drinking quotes and a chapter filled with quotes on miscellaneous topics. For salty souls, the final chapter is relegated to R-Rated quotes. This is not your grandmother's quote book. That is, unless she drank, fell in love, aged, and cursed like a sailor!

PHILOSOPHY OF LOVE Adrian Gabriel Dumitru, His love Her fantasy ... understanding what love is about As a man, but also as a woman, we try to define the undefined from a love story. Dreaming about love and being in love ... the path from the fantasy to the love story itself ... is just a matter of luck ... or maybe where you find yourself, on the timeline of your own life. Maybe is the perfect time for you to explore what love is about, or maybe other things are important at the moment ... and the love story can only be a future "project". Exploring what love is about ... in our minds, as a fantasy ... or in the real life, as a real love story ... is depending only and only if we are ready or not. But what is the difference between fantasy and reality, when even the Bible is saying that everything we see is just an illusion? Well ... i believe that the fantasy is only the begining of defining what we want ... and the love story is the "experiment" itself. Is it too much to name a love story ... an "experiment"?! Well ... exploring ... as a fantasy or as reality is letting your soul understand what love is about. And ... sometimes is even a life lesson. The moment when you jump into the fairy tale ... the real fantasy ... and you understand the meaning of love ... the fact that love is about giving and not about receiving ... that is the moment when you also understand what life is about. Accepting your partner, just as he / she is ... just as accepting all the people from our lives is the moment of awakening. And also you should know that this path is leading you to point when your thinking will be totally redefined. Life itself ... is about love. Seeing what love is about ... is understanding the meaning of life. If the "love chapter" started for you ... even if it's just a fantasy or reality ... you should be happy. The awakening will come to you!

The Legacy of George W. Bush's Foreign Policy Ilan Peleg,2018-04-17 This volume incisively analyzes the foreign policy of George W. Bush. Examining the legacy of the forty-third President, author Ilan Peleg explains the complex factors underlying the Bush Doctrine: neoconservative ideology, real and perceived challenges to US world supremacy, Bush's personality, the White House's unique decision-making process, and the impact of September 11. Peleg argues that in its

shift from deterrence and containment to prevention and preemption, from multilateral leadership to unilateral militarism, and from consensual realism to radical neoconservatism, the Bush administration has effected a true revolution in the foundational goals, as well as in the means, of US foreign policy. Peleg also offers a series of judicious recommendations for future administrations, including the reestablishment of a bipartisan consensus on foreign policy, increased emphasis on multilateralism, the demilitarization of US foreign policy, renewed focus on the resolution of serious regional conflicts, and more realistic expectations about noncoerced democratization around the world.
