To Love the Wind and the Rain Dianne D. Glave, Mark Stoll, 2005-12-30 To Love the Wind and the Rain is a groundbreaking and vivid analysis of the relationship between African Americans and the environment in U.S. history. It focuses on three major themes: African Americans in the rural environment, African Americans in the urban and suburban environments, and African Americans and the notion of environmental justice. Meticulously researched, the essays cover subjects including slavery, hunting, gardening, religion, the turpentine industry, outdoor recreation, women, and politics. To Love the Wind and the Rain will serve as an excellent foundation for future studies in African American environmental history.

Comedy Quotes from the Movies Larry Langman, Paul Gold, 2001-05-29 Clever repartee, double entendres, punch lines and many other variations of humor have been a staple of movie dialogue since the advent of talkies. Collected here are over 4,000 of the best comedic lines from the movies. The compilers of this book have tried to bring together some of the funniest, wittiest and most outrageous snatches of dialogue on film over a sixty year time period. For each entry the authors set the quotation in context, provide the name of the actor or actress, the name of the movie and the year of release. The quotations are arranged by a broad range of categories, such as politics, food and eating, gambling, and many others. A title index and a name index follow the body of the book..

Step It Up and Go David Menconi, 2020-09-22 This book is a love letter to the artists, scenes, and sounds defining North Carolina's extraordinary contributions to American popular music. David Menconi spent three decades immersed in the state's music, where traditions run deep but the energy expands in countless directions. Menconi shows how working-class

roots and rebellion tie North Carolina's Piedmont blues, jazz, and bluegrass to beach music, rock, hip-hop, and more. From mill towns and mountain coves to college-town clubs and the stage of American Idol, Blind Boy Fuller and Doc Watson to Nina Simone and Superchunk, Step It Up and Go celebrates homegrown music just as essential to the state as barbecue and basketball. Spanning a century of history from the dawn of recorded music to the present, and with sidebars and photos that help reveal the many-splendored glory of North Carolina's sonic landscape, this is a must-read for every music lover.

Front Porch Love Claretta Humphrey, 2019-12-09 Through all of life's trials and tribulation, how do we hold things together instead of drowning in our tears? We go to the place that taught us to fear less and forbear. The place where comfort came from prayer and taking leaps of faith were encouraged. Front Porch Love reminds me that the home I grew up in was a place to relent and always find mama and God. As my life spins out of control, I give the reigns to God. When we let Him lead the way, He guides us through the chaos and back to our happiness. He is always within our reach. He is the maker of everything. He is listening to each one of us and hears all of our prayers. Things may not happen when and how you like them to, but He is always supple making things. I found that as I began to get closer to God, I began to see the light at the end of the tunnel. As I dealt with marriage, divorce, illness and death, even different careers on this journey of life; oh! I have never forgotten the place I came from, or who's I am. Being close to Jesus made it possible to look to the future and have a life full of joy and love. Because I went back to the Front Porch Love of the house that built me often in person and in my heart, I feel victorious with life.

Love Affair Andrew M. Greeley, 1993 This collection of Greeley's prayers to God offers insight into his joy, pain, irritation, and surprise at important occurrences in his daily life.

Love You to the Beach and Back Journal Melanie Bremner, 2019-05-29 The sun is shining! Do you hear the waves calling your name? Yes! It's BEACH TIME! With this 200 pages thick lined journal, you will have lots of summer vacation motivational quotes to get you in the mood to hit the beach and get your skin sun-kissed. Whether you go to the beach alone to destress or with your family to create new memories, you can organize your trip with some of the pages within this journal. You have plenty of room to write about people you see, the places you go and the food you taste. This journal cover is a picture of a trendy beach cafe with the water in the distance with a sailboat on the horizon. The pier has a table with wine glasses for two. There is another table on the sand with a black cat sitting on a chair and two bottles on the table beside her. A women's bag sides on the sand beside the chair implying that the couple has gone for a stroll or perhaps for a swim while they wait for their dinner. The quote Love You to the Beach and Back with a white font color is displayed on the sky

background. This journal can be used by teens, or adults or for anyone who would like to keep track of their adventures on the beach front. This beach journal is 6 x 9 and can fit in any backpack, purse or suitcase. It is the perfect size to hold in your hand and tuck under your arm while you travel around. Even if you can't make it to the beach every day, reading the beach quotes inside this journal will allow you to always take the spirit of the beach with you and make you have a much better day.

About "The Last Song" by Nickolas Sparks. Journal, Essay and Vocabulary Boğaç Aybey, 2014-09-30 Essay from the year 2011 in the subject Didactics for the subject English - Literature, Works, grade: 100, , language: English, abstract: The Last Song is written by #1 New York Times Bestselling author Nicholas Sparks and released on [1]September 8, 2009 by Grand Central Publishing . Also it was the number one on the weekly bestseller chart of New York Times Best Sellers List on September 18, 2009, and many reviews were written about The Last Song. Besides them, its new movie has been started to play on the cinemas in the U.S.A. since March 31, 2010, so this book is so popular and remarkable, because the characters' behaviours and qualities are created uniquely, the book really impacts on our lives, and some religious informations and sacred books are related with the characters' situations and the events in the book. First of all, the writer creates the characters and gives them some behaviours uniquely. Firstly , the change in Ronnie from a stubborn girl to a mature young lady makes the book more remarkable and special. For example, the novel states that "It was the first time since she'd been here that she'd spoken to him without a hint of anger or frustration. " (pg.104) (...) Another reason why this book is remarkable is that the writer really impacts on our lives. First of all, this novel teaches us that there are significant moments that we mustn't miss them and mustn't regret what we miss. One example of this is "I was so mean to him. I quit the piano! I blamed him for everything, and I didn't say more than a few words to him for three years! Three years! And I can't get those years back. But maybe if I hadn't been so angry, he might not have gotten sick. Maybe I caused that extra... stress that did all this. Maybe it was me!"(pg. 321) (...) Finally, some religious informations and sacred books are related with the characters' situations and the events in the book appropriately. Firstly, in this novel there are things about presence of God, praying and hope. The novel states that "(...)Never forget that God is your friend. (...)He longs to hear what's been happening in your life. Good or bad, whether it's been full of sorrow or anger, and even when you're questioning why terrible things have to happen. So I talk with him." (pg.165) (...) As a final word, the characters' behaviours, situations and creations are unique, and the book really has an effect on our lives ,and using religious connections make the book more remarkable. (...) There are also journal entries and vocabulary.
