**The Kindness Effect** Jill Donovan, 2025-07 This book will inspire you to give generously to others while you embrace the journey of life and fearlessly pursue your dreams. Jill Donovan shares real-life stories exemplifying what can happen if we discover our gifts and become intentional about using them. In *The Kindness Effect* Rustic Cuff creator Jill Donovan shares a collection of true stories that will inspire you to discover your talent, gift, skill, or passion and use it to benefit others. Jill has lived out this message with amazing results, and she wants others to know that they can too. Jill left the legal profession when she followed her heart and discovered her true passion for giving. This resulted in the foundation of her wildly popular Rustic Cuff business. Now her favorite thing to do is inspire a giving heart in others. For Jill it's not about the gift itself, but the connection that is made between two people. Readers will savor every page of Jill's engaging, honest, witty writing and feel as if they've made a new best friend. Not afraid to laugh at herself or reveal her innermost thoughts, Jill invites readers to share her most embarrassing moments, deepest sorrows, and greatest joys. Through it all she weaves poignant lessons learned about the power of generous giving for a fulfilled journey through life.

*Quote Yourself Invincible* Dr. Harmonious J. Peacelord, PhD, 2025-11-01 Do people insult you, criticize you, or - worst of all - offer constructive feedback? Dr. Harmonious J. Peacelord, PhD (Pretty Huge Delusions), has the ultimate defense system: respond with an inspirational quote so vague it defeats logic itself. In *Quote Yourself Invincible*, Dr. Peacelord reveals his revolutionary "Verbal Deflection Matrix," a method for turning every insult into a motivational TED Talk. Whether someone calls you lazy, clueless, or "emotionally unavailable," Peacelord shows you how to smile gently, gaze into the distance, and whisper something like "Even mirrors can't reflect true potential." Through his signature blend of pseudo-wisdom, selective self-awareness, and weaponized positivity, Dr. Peacelord teaches you to transcend reality itself, one nonsense quote at a time. Critics call it "deeply confusing yet weirdly inspiring." Peacelord calls it "growth." Perfect for readers who loved *Complimenting Myself*, *Never Wrong*, *Imaginary Losers*, and *Unshakeable Delusion*.

*Breathing as Spiritual Practice* Will Johnson, 2019-10-08 A guide to meditative breathing practices in Western religions and how these practices provide a direct experience of God • Reveals how Western spiritual traditions, such as the Book of Genesis, the Jewish teachings of ruach, and the poetry of Rumi, contain hidden instruction for meditative breathing practices • Explains how breathing practices can bring all of us, including Christians, Muslims, and Jews, closer to a direct experience

of the palpable presence of God • Provides guidelines and best practices for meditative breathing through a personal journal of the author's own meditative retreat Surprised by the number of attendees from Western spiritual traditions at his Buddhist retreats, Will Johnson wanted to understand what drew them to this type of spiritual experience. He found many devoted Christians were in search of a more direct experience of God beyond faith alone, so he began exploring what breathing practices could be found in the sacred texts of Western monotheistic religions. Johnson discovered that, like their Eastern counterparts, Western traditions speak of gaining direct access to God via the breath. After experimenting with these teachings during a 10-day retreat at a desert monastery, he discovered that each of us has the potential to open up to the presence of spirit in every breath. In this book, the author offers a close look at the importance of breath in each major Western religion, including the Jewish teachings of ruach as life-giving spirit in the form of breath and the Islamic poetry of Rumi, which describes breath as essential for cleansing the soul. He then ties each breathing tradition to the Book of Genesis, sacred to Christians, Muslims, and Jews alike: "And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life, and man became a living being." Just as God blew life into Adam, every breath we take--if we follow the breathing practice of surrendering completely to inhalation--can open us up to the presence of God. Through his own contemplative journey, Johnson shares his experience of striving to surrender to the fullest presence of God through each breath. As he takes the reader step-by-step through his own breathing practice, the author explains his physical and mental techniques for meditating successfully through breath and provides helpful guidelines to get the most out of meditative retreats. Johnson also offers deep reflections on how these shared practices of experiencing God through the breath transcend religious differences.

Girl, Pick Up Your Crown! Kendra Sikes, 2019-09-21 In this society, It is important for women to know who they are, as everything and individual originates from the women. Unfortunately, the incidence of broken women is on the rise. This book is designed for the readers to place themselves in the shoes of each contributing author to be empowered by their walk of life knowing that no matter what life throws us, us women are resilient. In order for us women to become resilient, we have to know who we are as women, we have to also know who we belong to. Statistics have shown that the strongest women are women who have been through many trials and tribulations. It is unlikely for a young girl to develop into a woman of value

and honor unless she has someone affirming her. Therefore, it has become imperative for us women to step up and walk in our queendom to aspire others to do the same.. This is where The Booked and Beautiful Agency is looking to make a difference not only is this book for women but also for young girls. They plan to bring out the Queen in every woman across the globe with the launch of their new book.

**Destiny** Peter James Ford,2024-03-04 “DESTINY” is a book recording the continual soul expansion of the seeker, Peter James Ford. Peter’s journey began after a powerful spiritual experience in the little historic seaport in Newburyport, Massachusetts. In Peter’s late night meditations which were along the Merrimac River, the boardwalk, the Salisbury Reservation on the Atlantic Ocean, Plum Island, Maudsley Estate State Park, Pow Wow Hill (Native American Burial Grounds) and Old Hill Burial Grounds he was having vivid visions in his mind of ‘seeming’ past life experiences and powerful insights. Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see. Peter’s intuition and senses increased in an almost scary powerful way giving Peter wisdom from unseen sources. One source may be the Akashic Records/Library that is not a physical library but a place in the ethers that contains all the wisdom and knowledge ever known to anyone over the eons. We can access this power through ancient spiritual practices and apparently Peter has done just that. Stories and Tales began flowing from Peter and he wrote his first book. In the last three years Peter has written ten more books and shares everything he has found from his journeys to the inner worlds. Peter wrote a seven-book series under the title “MYSTICISM IN NEWBURYPORT” then the eighth and ninth bonus/companion books called “MYSTIC” & “VISION QUEST.” Then “SHAMBHALA’S GHOSTS” was to join the collection of mystical tales. Now you are holding his new writings in your hands. Peter laughingly calls himself “An Unlikely Messenger” as his younger years were nothing resembling anything spiritual. So, here is the story of just another seeker realizing his divinity and returning to his own heart...

**Mental Adjustments** Frederic Lyman Wells,1917

*2020 the Campaign Chronicles* JD Foster,2021-02-17 The 2020 campaign began with the 2016 election of Donald J. Trump and effectively rendered a verdict on his presidency. The Democartic Party sifted through a small army of worthies to defeat Trump and in former Vice-President Joe Biden they found their champion. Biden claimed the nomination following a phoenix-like rise propelled by a miraculous South Carolina primary victory. Backed by the party establishment and the mainstream media, Biden’s weak campaign proved sufficient by a handful of votes in a handful of states and leaving Biden with little mandate other than to avoid being like Trump. The story of the 2020 election is in part a story of America and the Trump presidency, a stormy marriage of highs and lows shaped by contrived investigations into Russian government interference, a failed impeachment, a welcomed intolerance for sexual harassment, the exposure of deep racial divisions highlighted by widespread and often violent rioting accompanied by a re-examination of the role of the police, a strong

economy until crushed by the coronavirus pandemic, and then the pandemic tragedy itself. The Trump presidency's four years astounded, for better or for worse, depending on point of view. This book chronicles the 2020 election and thus the events that shaped the election over the course of four years, written contemporaneously to capture the flavor of the moment, praising and criticizing Trump and his many antagonists in equal measure. Those enamored of the former president will find succor and outrage, as will those who delighted in his defeat. Those seeking to understand what happened will find the reading interesting, infuriating, and perhaps in places, illuminating.
