Can the Us Survive Doomsday Freddie L. Sirmans, Sr.,2006-12 Freddie L. Sirmans former education is limited to a high school grad and one semester of college. But, he is a fairly well read neurotic survivor. He has one of the deepest and penetrating economical minds there is today. He knows the US and western Europe is doomed unless they privatize out of their welfare states. The welfare state has all but destroyed western civilization. The liberals and their welfare state have destroyed our culture and any capacity to barter as a last resort to survive. A lack of true survival struggle is the main causes of liberalism.

My Journey Ramsis F. Ghaly MD FACS,2020-03-16 My journey is documented in this two-volume book numbers 14th and 15th of my series "Christianity and the Human Brain". My journey is a testimony to Lord Jesus who took me by the hand from being a dismal soul to a renown neurosurgeon and anesthesiologist through a dream I had in 1974 with his words: "Son study all these books in my hand and I shall bless you and bless your patients". Today, 35 years later, I continue to dedicate my life to my Lord, my patients and the residents I mentor. The fulfillment of my joy is when my Almighty helps me to care for my patients and guides my hand in both neurosurgery and the teaching of coming generations. There are many stories and reflections to share with you. Lessons learned in various topics. It is my honor to share with you my journey and my Joy. The two volume books contain 181 chapters, distributed in twenty sections (ten in each volume) covering major highlights in my life journey. In addition to deep reflections from my own life stories in faith and medicine, topics include Jesus, love, patient care, the human brain, neurosurgery, illness, residents, healthcare crises, meditations and memories over four decades. I hope you, the reader, to take the positives of my journey and find it useful to your own journey as a participant sojourning in this world with me. Blessed are those striving early on in their life to serve our Savior Jesus Christ, to him is the glory for ever and ever, Amen.

A NEW DAWN Dawn Lyon,2012-03-06 This book is for anyone who has suffered rejection, abandonment, and pain; frankly, anything that has come between them and being the best person they can be. A New Dawn has been written according to what I remember and according to accounts given me by family members. And please let me make it very clear, it is not and never will be my desire to hurt or blame others for anything that has happened in my life. Blame should never be an issue in the struggles of life. However, there were things from my past that influenced certain actions that took place as I

grew up. As you read my autobiography it could help you to avoid some of the same pitfalls I suffered. Not only that, but writing my life's story was extremely therapeutic as I put my feelings into words.

Breaking Through God's Silence David Yount,1997-06-11 Former chairman of the College Preachers' elementary primer on prayer, discusses ways to achieve a meditative state & how to overcome various obstacles.
