Words That Free You Jacques Martel,2024-01-16 A guide to how the right choice of words can liberate, strengthen, and heal us • Explains how each word carries an energy that increases or decreases our energy level and how our choice of words creates our reality • Offers tables for converting the negative to the positive and shows which words to use to change our lives for the better • Shares healing words in mantras, guided relaxation, and chants as well as a writing technique that brings emotional healing Positive Words Enhance Our Reality Not only are the words and phrases we use an expression of our innermost thoughts, they also influence our well-being and the overall nature of our character. Positive words create a higher vibration and thus a positive experience of life. Words with negative connotations, however, especially if used frequently, create a limiting and possibly self-destructive reality for us, since our brain cannot decide between what is real and what only exists in our imagination. Sharing practical communication tools, such as a table to convert words and expressions from the negative to the positive, therapist and coach Jacques Martel reveals which high-vibration words to use to change our lives for the better and how to integrate them effectively when speaking with family, friends, coworkers, and in front of an audience. Healso explores healing words in mantras, guided relaxation, and chants as well as a writing technique

using words that free us to bring emotional healing. Choose words filled with freedom, wisdom, and love and have them truly become the mirror of your heart and the reflection of your thoughts—you will create a more optimistic, healthy, and happy reality for yourself and others.

Wisdom from the Four Agreements Don Miguel Ruiz, 2003 This Charming Petite* volume excerpts the bestselling original book in a concise and readable way, presenting The Four Agreements: Be impeccable with your word; Don't take anything personally; Don't make assumptions; and Always do your best.
