10 Questions Every Teen Should Ask (and Answer) about Christianity Rebecca McLaughlin, 2021-03-09 Written by Rebecca McLaughlin, Author of *Confronting Christianity* In a world of increasing ideological diversity, kids are being challenged to think through their own beliefs at an early age. Questions like How can you believe the Bible is true?; Why can't we just agree that love is love?; and Isn't Christianity against diversity? can seem like roadblocks for kids who are following Jesus, as well as for those who might otherwise consider faith in Christ. In this helpful book—written both for Christian kids and for those who think Jesus is just a fairy tale character—Rebecca McLaughlin invites readers ages 12-15 to dig deep into hard questions for themselves and perhaps discover that the things that once looked like roadblocks to faith might actually be signposts.

Toy Stories Tanya Jones, 2017-04-11 Toys--those celebrated childhood cohorts and lead actors in children's imaginative play--have a fantastic history of heroism in fiction. From teddy bears that guard sleeping babies to plastic soldiers and cowboys who lay siege to wooden block castles, toys are often the heroes of the stories children inspire authors to tell. In this collection of new essays, scholars from a great range of disciplines examine fictional toys as protectors of the children they love, as heroes of their own stories, and as champions for the greater good in the writings of A.A. Milne, Hans Christian Andersen, William Joyce, John Lasseter and many others.

King David S. Faldet, 2019-02-21 Gospel in an age devoid of miracles, *King: A Mystery* is set in the year of Obama's first election, a year of catastrophic floods. Tom King, twin brother of religious leader Joshua King, tells the story of night watchman Arnie Mikes's investigation of the death and life of Joshua, whose car wreck he discovers on a country road. Joshua King, whose ministry is dedicated to the Spirit he addresses as Mother, provokes scorn and occasional violence from Christians, politicians, law enforcement, and powerful agricultural interests. Divisions among King's followers about whether he is the reincarnation of the Messiah trouble his ministry. Mikes's investigation leads him from a labor organizer to cult members and a car body repairman, from rural Iowa where King has established his ministry to the state capital where King

clashes with authorities. The unravelling and ultimate solution of the mystery of King's death awakens Mikesch to a new sense of himself and brings him close to Mary Towers, the woman who haunted King's life.

An Archaeological Evolution Stanley South, 2006-10-21 Stanley South has been a leading figure not only in historical archaeology but also in anthropological archaeology. His work (both past and present) has put him in the forefront of monumental changes in American archaeology in the last 40 years. His personal perseverance in field archaeology has also been an inspiration to new and burgeoning archaeologists and anthropologists. *An Archaeological Evolution* is a personal recounting of his life, played out among some of the most important debates and movements in archaeology starting in the 1960s up to the 21st century. This seminal volume will be of interest to archaeologists (both professional and academic), anthropologists, historians, and conservators in or studying the United States, but also wherever archaeology is taught and practiced.
