Businessplan. com Lynn Manning Ross,2004 Want to sidestep business failure and grow rich? Then think of businessplan.com as your Einstein squeaky toya book with a smart new way to approach business ownership after decades of business failures hovering at 96 percent! Unlike previous editions, how-to books for setting up a business on eBay or selling strictly over the Internet, this ebook edition delivers fresh ideas for working out practical business plans that turn companies into permanent and real moneymakers. One of the book's most important new features includes a highly effective entrepreneurial personality evaluation. Check out Chapter 2, Wired to Win. Costing hundreds of dollars in real time, this evaluation lets you self-test to discover your temperament type. Important? Yes, rich business owners instinctively match their temperaments to the right business model for them. Corporations have successfully used this success secret on employees for decades. Yet, these highly respected personality tests have never been used to help entrepreneurs beat their 96 percent legacy of doomuntil now. Discover why success and money aren't just about owing a company. Success and money are about owing the right companyfor you.From web-smart to business-savvy, this book was written for you, a need-to-know-now 21st century entrepreneur where your business plan, website marketing, technology utilization, and entrepreneurial temperament convergence to become one very big success story.

the basics of mastering legal, financial, employment, and management hurdles to advanced topics on business plans and strategies, accounting, contracts, taxes, attracting investors, and putting your business onto the Web. Whether you expect your business to become the next Microsoft or you've set your sights on a more modest goal, you'll find comprehensive and authoritative counsel -- without all the confusing jargon and legalese -- in this fun and friendly guide to the world of small business success.

Business Essentials Ronald J. Ebert, Ricky W. Griffin, 2000 A concise, streamlined edition of Ebert's larger Business volume, this extremely successful book provides the essence of business in a brief and affordable format. Its compact presentation spans the range of functional areas—management, marketing, operations, accounting, information systems, finance, and law—clearly demonstrating the interrelationships between them. Coverage features the most intriguing and up-to-date examples, case studies, Internet exercises, SCANS-oriented critical-thinking exercises, new videos, part-opening World Wide Web vignettes, and Crafting Your Business Plan exercises. Each chapter contains tables, photographs, and figures carefully chosen to illustrate, in a visually appealing way, the points and messages of the chapter. For anyone—from mailroom to management—who seeks to thrive in today's business world.
