Included in Christ Heather Holleman, 2017-06-06 A new kind of Bible study... After the success of her first two books, Heather Holleman received many requests to write a Bible study. And as a college English instructor, she wanted to make sure it really taught and didn't simply inform. So she surveyed several women about what their dream study would look like, then got to work. The result is *Included in Christ*, a narrative-driven study where you can bring your life before Scripture in the context of community. Together women will discern their personal shadow narratives—ways they are living outside of their identity in Christ—and then rewrite those narratives according to biblical truth. This in-depth, 8-week study in Ephesians will equip women with six “signature stories” of God's work in their lives—helping them combat exclusion, loneliness, weakness, decay, emptiness, and silence. Designed to facilitate honest sharing and help you internalize biblical truth, *Included in Christ* will provide community and connectedness as well as spiritual nourishment. It will also guide you in how to share your story and the hope of Christ with someone who doesn't yet know Him.

Faithful Ann Voskamp, Amanda Bible Williams, Ginny Owens, Kelly Minter, Kelly Needham, Lisa Harper, Raechel Myers, Ruth Chou Simons, Sally Lloyd-Jones, Sarah MacIntosh, Savannah Locke, Trillia Newbell, 2021-05-01 As they examine the stories of incredible women of the Bible, readers will find hope, encouragement, and a strong sense of community in this beautiful, eclectic collection of writing, photos, and lyrics that reflect God's faithfulness. Bringing together some of the most beloved Christian authors and songwriters of today, *Faithful* guides readers through the pages of Scripture to increase understanding of how God has always valued the integral role of females and how that shapes the lives of women today. The *Faithful* project is a collaboration between three major ministry partners: David C Cook, Integrity Music, and Compassion International. The

accompanying album and a 2021 tour of live events celebrates the contributions of women while recognizing their empowerment through the faithfulness of God. This beautiful, creative book will invite readers to return again and again for reflection and inspiration through guided scripture reading and writing prompts.

Hot Hits Jeffrey Lee Brothers, 2003-07 *Til Death* explores the conflict that male and females experience in relationships, especially marriage. Part one examines the theological and moral aspects of male/female relationships. Part two is a love story where differing moral values clash and its consequences.

How Could I Ask for More Cindy Morgan, 2015-08-04 If we are honest, every one of us has questions about our faith. We ask ourselves things like: Is the Bible true? Why does God allow suffering? Am I truly forgiven? Will I really go to heaven when I die? Dr. Robert Jeffress answers these and other challenging questions facing Christians today. Drawing upon the best research available, *How Can I Know* presents logical and concise responses that anyone can understand and easily share with others. In an age of information overload, simplicity is essential. Every chapter is filled with illustrations and application that will appeal to the average reader, giving them a renewed hope and reassurance of their faith.

Guns, Furs, and Gold Larry E. Morris,2025-12 Guns, Furs, and Gold offers a riveting narrative of the American West by exploring the interactions of the Arikaras, Crows, Cheyennes, and Arapahos with each other and with Euro-American traders, explorers, and settlers from 1804, when Meriwether Lewis and William Clark embarked on their voyage of discovery, to 1864, when the U.S. Army attacked both Confederate forces in the South and Native nations in the West. Larry E. Morris recounts the nineteenth-century experience of these four tribes by detailing their interactions with four legendary survivors of a fight with the Arikaras in 1823. These renowned figures include the remarkable trailblazer blazer Jedediah Smith, the unparalleled interpreter Edward Rose, the premier guide and Indian agent Thomas Fitzpatrick, and the grizzly-bear-mauling survivor Hugh Glass. Their careers illuminate the fate of four Indian nations, revealing how--despite the best efforts of several explorers to treat the Indigenous peoples respectfully--the guns, furs, disease, and gold rushes of the interlopers put the Indians' way of life, their lands, and their very lives at grave risk. The sixty-year period comes to a close when more than 150 Plains Indians, most of them women, children, and elderly, were ambushed and slaughtered by Colonel John Chivington's Third Colorado Cavalry on the banks of Sand Creek.
