Jessica Florence

Taunting Destiny Amelia Hutchins,E & L Editing Services,Vera Digital Art and Photography,2013-09-18 Adam and I are both going through identity crises of epic proportions as we Transition from who we were, and discover who we were meant to be. More Fae are dying, and I feel as if time is running out for us to find all of those responsible and put an end to the killings. The people I thought I could trust have betrayed me and the one person I should absolutely not trust; is taking me deeper and deeper into his world. Ryder's secrets are dangerous and devastating. With each touch and word, he pulls my heart closer to himself and at the same time he is trying to keep me at arm's length. The dance he and I have begun, is getting more complicated as our worlds are being shaken from all sides, and the visions of the future are frightening, and nothing like I had ever pictured for myself or those I care for. This time, destiny is taunting me. I had always thought that I controlled my destiny. Now, my rights are being taken from me by powerful people and leaving me with alternatives that range between bad and awful. This time, the choices I have to make can decide the fate of both worlds. Everything is unraveling, and nothing will ever be the same again. -Synthia

Fighting Destiny Amelia Hutchins,2013-06-02 What started out as a strange assignment, lead to one of the most gruesome murder mysteries of our times. My friends and I are set and determined to find out who is killing off Fae and Witches alike.

Seducing Destiny Amelia Hutchins,2015-01-20 Less than six months ago my life was twisted and flipped on its side. Things have changed so much I barely recognize myself anymore. I am no longer an Enforcer. I am no longer a Witch. I no longer hate the Fae. (For the most part) And the sex-on-a-stick-gorgeous-Fae? He isn't really the Dark Prince. No, he is the father of my children and with the babies on the way, the land dying and the Mages closing in; alliances will have to be formed if we are all to make it through the war that is coming to our front door. Between warring Gods and Goddesses, how are any of us supposed to win? The Fae Chronicles reading order is as follows. Fighting Destiny Taunting Destiny Escaping Destiny Seducing Destiny

Embracing Destiny Amelia Hutchins,2020-04-28 War has finally come to Faery.Everything I thought I knew was wrong.Truths have become lies, and they have all begun to unravel around us. I can no longer trust my instincts. Ryder has changed, but so have I. We're evolving, but into what? I'm not sure, but I do know that it isn't what I wanted to become. I

don't know if I will survive this war. One of us is holding back, while the other continually moves forward toward the mages who endlessly slaughter the fae. I think it's me. I think I have to lose it all, to gain what is missing inside of me. How do you eradicate self, when self is what you've been fighting for? Throw everything you think you know about the fae away. Nothing is sacred, and no one is safe from the monsters we're about to become.

Crowning Destiny Amelia Hutchins, 2020-06 Crowning Destiny War has come to Faery, and there's no escaping the final battle. We thought we were ready for anything. We were wrong. I couldn't change who I was, so Destiny stepped in, forcing me to become what Faery needed to face down our enemies. Can I forgive what happened and move past the lies and betrayals? Or will I destroy a world to bring the man I love to his knees, requiring us to become the monsters the world wants us to be?

Escaping Destiny Amelia Hutchins, E & L Editing Services, Vera Digital Art & Photography, 2014-02-15 I thought things couldn't get worse. I was wrong. I found out what I really wanted and was forced to give him up. Just as I found out who I really am, I was presented to the elusive Horde King as a gift. This was the mystical being I was hidden from for more than twenty years. Although Ryder promised to save me, I couldn't let him get near this creature, so I willingly (sort of) signed myself over to be his new plaything. Now in the Horde Realm, nothing is going remotely like I thought it would. My powers and emotions are on the fritz, and each day seems to bring surprises that I am not sure how to deal with. The Horde King thinks he has me exactly where he wants me. He thinks he has taken all of my options away. I still have choices. Embracing what destiny has planned for me, or escaping it.

Whispers of Fate Amelia Hutchins, 2022 Kahleena assumed the Fates had offered her a glimpse into her destiny. She expected the events to unfold as they had in her vision. How complicated could it be to convince one male that their futures are united and created for one another? She never anticipated he'd be the smug, arrogant sociopath who aimed to reclaim what was once his. It also doesn't help that he's the hottest man she's ever clapped her sights on. Arius is carnality in its truest form. His touch ignites a fire within her that she's unprepared to feel, and his lips are the tinder which set her soul ablaze with passion. . . The walls of the prison have fractured, and Arius is finally free to make those who slaughtered or imprisoned his people pay. Abducting the daughter of the high king and queen is only the first step. Kahleena Danann was supposed to be a mouthy, spoiled princess. She should have been on her knees, pleading for mercy. Instead, she stands toe-to-toe with him and savagely declares exactly where he can stick his intentions with voluptuous lips and brilliant eyes flickering with fury. The girl, who is full of innocence and exquisite beauty, is unlike any woman he's encountered before and threatens all his carefully plotted revenge. . . Will Synthia and Ryder be able to face the truth of what is heading straight for their kingdom? Or will it force them to confront the enemies hell-bent on making them pay for the atrocities carried out in the past? Welcome back to Faery, where nothing is what it seems. With two factions about to collide, who will rise and

become the true ruler of the Realm?

Unraveling Destiny Amelia Hutchins, 2017-09-26 I knew Destiny wasn't done with me. I knew that she was just getting warmed up, but I had no clue just how hard my world was going to come crashing down on me. I had thought that I was going to get my fairytale wedding and marry the man of my dreams. I was wrong. Now, faced with having my world torn asunder and Faery exposed, I have to make choices I never thought I'd have to make. I'm divided between two worlds, and I have to decide just how far I will go to get back what was stolen from me. Old enemies are closing in, new enemies are being revealed, and surprising allies are entering the playing field. War is on the horizon, and it's coming right for us.

Realms of Mist and Ash J. S. Malcom, 2017-10-14 Getting into Faerie is risky enough. Getting out again may prove impossible. Entering Faerie is enough of a risk, never mind trying to free a changeling. That's never been done before, but

that's exactly what has to happen if I'm going to rescue my best friend. So when I run into a half-blood thief who offers to help, I can't exactly say no. I mean, the guy seriously hates the fae. After all, one of them knocked up his mother. Digging deeper into the labyrinthine fae city kingdom, we soon start to unravel a mystery I never could have imagined. Namely, how it came to be that just a few fae now control all of the magic in their world. We also learn that some of the missing humans have been spotted. Not my friend, but we must be getting closer. But when I get waylaid by fae slave traders, find myself stripped of magic and held captive in a noble house, and discover a secret that might turn the tables of magical power in Faerie, I end up with way more than I bargained for. But I also seem to have caught the eye of a stunningly handsome fae lord. Hard to resist. And who knows? Maybe he could come in handy. Because right now it's down to me and I'm up against a ticking clock. It's either escape or die knowing that the next stop for fae magical conquest is the human realm.
