Digital Narratives of Trauma Among Immigrant and Refugee Women Scapolo, Andrea, Castro, Arturo Matute, Huang, Sha, Bagasra, Anisah, 2025-06-17 Immigrant communities facing displacement have increasingly turned to social media as a platform to share their testimonies, connect to their communities, and build new support networks. Due to existing structural inequities, women face unique challenges, such as discrimination and violence, human trafficking, economic deprivation, and conflicting cultural norms. This is particularly true for immigrant and refugee women from the Global South to Europe, North America, and Australia. In this context, social media and digital technologies have increasingly served as powerful platforms for social justice and community building by providing marginalized groups with a venue to share testimonies and connect with their community of origin and other groups facing similar challenges. In these virtual communities, immigrant and refugee women can also find a collective voice to mobilize social and political activism on issues such as immigration policies, access to healthcare, challenges of motherhood, and gender-based violence. *Digital Narratives of Trauma Among Immigrant and Refugee Women* explores contemporary issues, by examining how narratives of resistance and survival in digital spaces illuminate the interconnectedness of migration, womanhood, displacement, and trauma within the fabric of human experience. It introduces the role of social media and digital testimonies in bringing about social change for historically marginalized women. Covering topics such as affective labor, intersectionality, and social justice, this book is an excellent resource for non-governmental organizational leaders, activists, federal agents, state agents, sociologists, social workers, professionals, researchers, scholars, academicians, and more.

Bless the Daughter Raised by a Voice in Her Head Warsan Shire, 2022-03-01 Poems of migration, womanhood, trauma, and resilience from the celebrated collaborator on Beyoncé's *Lemonade* and *Black Is King*, award-winning Somali British poet Warsan Shire "The beautifully crafted poems in this collection are fiercely tender gifts."—Roxane Gay, author of *Bad Feminist* "Warsan Shire is our ultimate modern poet. . . . This is our James Baldwin."—The New York Times Culture Desk
LONGLISTED FOR THE GRIFFIN POETRY PRIZE • ONE OF THE BEST BOOKS OF THE YEAR: Vanity Fair, The Guardian, Publishers Weekly
Mama, I made it / out of your home / alive, raised by / the voices / in my head. With her first full-length poetry collection, Warsan Shire introduces us to a young girl, who, in the absence of a nurturing guide, makes her own way toward womanhood. Drawing from her own life, as well as pop culture and news headlines, Shire finds vivid, unique details in

the experiences of refugees and immigrants, mothers and daughters, Black women and teenage girls. In Shire's hands, lives spring into fullness. This is noisy life, full of music and weeping and surahs and sirens and birds. This is fragrant life, full of blood and perfume and shisha smoke and jasmine and incense. This is polychrome life, full of henna and moonlight and lipstick and turmeric and kohl. The long-awaited collection from one of our most exciting contemporary poets, this book is a blessing, an incantatory celebration of resilience and survival. Each reader will come away changed.

The Bloomsbury Handbook of Anglophone Literature and Migration Nicoletta Vallorani, Simona Bertacco, William Boelhower, 2025-10-16 Focusing on a significant 70-year period as a climactic phase of displacement, the book investigates the role of literature in producing new modes of representing and understanding migration in a global context. Globally felt and reported as a geographical, sociological, anthropological, and historical phenomenon, migration has produced an unprecedented corpus of literary narratives that demands to be approached through its own set of cross-disciplinary critical approaches. This Handbook explores tales of migration via a systematic study of the large corpus of Anglophone literary texts that have been written by migrant authors and/or on the topic of migration between 1946 and 2016—from the start of the United Nations International Migration Report to the first year in which the number of displaced people reached the level of the Second World War, marking a new phase in global migrations. Given the dominance of English as a world language, often used by writers who are not native speakers, the volume covers Anglophone writing, providing a substantially representative corpus that includes texts from or about Europe, Africa, North and Central America, and the South Asia and Pacific region. Starting from a critical approach that is inherently interdisciplinary, authors consider the notion of the border and how it has changed over time; show how traditional literary genres have morphed and hybridized to become suitable expressive tools for the new stories of migration; reflect on how the movement across borders and countries creates migrant identities that are not only linguistic but invests all aspects of one's life and worldview; and includes authors' voices (a small but representative group) to both justify and test the critical approaches proposed.

Preaching as Resistance Phil Snider, 2018-10-02 As nationalism, patriarchy, and alt-right fear-mongering threaten our troubled nation, the pulpit has again become a subversive space of sacred resistance. In this provocative and powerful collection of sermons from diverse pastors across America, hear the brave and urgent voice of Christians calling for radical change rooted in love, solidarity, and justice. Preaching as Resistance resists, confronts, and troubles the dangerous structures of authoritarianism and oppression crashing in from all sides – and proclaims the transformation, possibility, and hope stirring in the gospel of Christ. From big-steeple churches in big cities to rural congregations in red states, preaching as resistance is practiced in a wide variety of social contexts and preaching styles, inspiring and equipping listeners to respond to the call of justice. Ideal for pastors and church leaders, Preaching as Resistance also provides the opportunity to experience hopeful, welcoming Christian voices rooted in the gospel values of love, solidarity, and justice. In these challenging times when Christianity is so often misrepresented, misunderstood, and misused for unjust agendas, take heart and find your own voice in this collection of resistance sermons from everyday pastors across the country.

The Arden Research Handbook of Shakespeare and Social Justice David Ruiter, 2020-11-26 The Arden Research Handbook of Shakespeare and Social Justice is a wide-ranging, authoritative guide to research on Shakespeare and issues of social justice and arts activism by an international team of leading scholars, directors, arts activists, and educators. Across four sections it explores the relevance and responsibility of art to the real world and to the significant teaching and learning, performance and practice, theory and economies that not only expand the discussion of literature and theatre, but also open the gates of engagement between the life of the mind and lived experience. The collection draws from noted scholars, writers and practitioners from around the globe to assert the power of art to question, disrupt and re-invigorate both the ties that bind and the barriers that divide us. A series of interviews with theatre practitioners and scholars opens the volume, establishing an initial portfolio of areas for research, exploration, and change. In Section 2 'The Practice of Shakespeare and Social Justice' contributors examine Shakespeare's place and possibilities in intervening in issues of race, class, gender and sexuality. Section 3 'The Performance of Shakespeare and Social Justice' traces Shakespeare and social justice in multiple global contexts: engaging productions grounded in the politics of Mexico, India, South Africa, China and aspects of Asian

politics broadly, this section illuminates the burgeoning field of global production while keeping as a priority the political structures that make advocacy and resistance possible. The last section on 'Economies of Shakespeare' describes socio-economic and community issues that come to light in Shakespeare, and their potential to catalyze ongoing discussion and change in respect to wealth, distribution, equity and humanity. An annotated bibliography provides further guidance to those researching the subject.

The Third Daughter Talia Carner, 2019-09-03 "In *The Third Daughter*, Talia Carner ably illuminates a little-known piece of history: the sex trafficking of young women from Russia to South America in the late 19th century. Thoroughly researched and vividly rendered, this is an important and unforgettable story of exploitation and empowerment that will leave you both shaken and inspired." —Pam Jenoff, New York Times bestselling author of *The Lost Girls of Paris* The turn of the 20th century finds fourteen-year-old Batya in the Russian countryside, fleeing with her family endless pogroms. Desperate, her father leaps at the opportunity to marry Batya to a worldly, wealthy stranger who can guarantee his daughter an easy life and passage to America. Feeling like a princess in a fairytale, Batya leaves her old life behind as she is whisked away to a new world. But soon she discovers that she's entered a waking nightmare. Her new "husband" does indeed bring her to America: Buenos Aires, a vibrant, growing city in which prostitution is not only legal but deeply embedded in the culture. And now Batya is one of thousands of women tricked and sold into a brothel. As the years pass, Batya forms deep bonds with her "sisters" in the house as well as some men who are both kind and cruel. Through it all, she holds onto one dream: to bring her family to America, where they will be safe from the anti-Semitism that plagues Russia. Just as Batya is becoming a known tango dancer, she gets an unexpected but dangerous opportunity—to help bring down the criminal network that has enslaved so many young women and has been instrumental in developing Buenos Aires into a major metropolis. A powerful story of finding courage in the face of danger, and hope in the face of despair, *The Third Daughter* brings to life a dark period of Jewish history and gives a voice to victims whose truth deserves to finally be told.

The Road to the Salt Sea Samuel Kolawole, 2024-07-02 WINNER OF THE 2025 WHITING AWARD FOR FICTION PEN/HEMINGWAY AWARD FINALIST • ASPEN WORDS LITERARY PRIZE LONGLIST As wrenching and luminous as Omar El Akkad's *What Strange Paradise* and Mohsin Hamid's *Exit West*, a searing exploration of the global migration crisis that moves from Nigeria to Libya to Italy, from an exciting new literary voice. Able God works for low pay at a four-star hotel where he must flash his "toothpaste-white smile" for wealthy guests. When not tending to the hotel's overprivileged clientele, he muses over self-help books and draws life lessons from the game of chess. But Able's ordinary life is upended when an early morning room service order leads him to interfere with Akudo, a sex worker involved with a powerful but dangerous hotel guest. Suddenly caught in a web of violence, guilt, and fear, Able must run to save himself—a journey that takes him

into the desert with a group of drug-addled migrants, headed by a charismatic religious leader calling himself Ben Ten. The travelers' dream of reaching Europe—and a new life—is shattered when they fall prey to human traffickers, suffer starvation, and find themselves on the precipice of death, fighting for their lives and their freedom. As Able God moves into the treacherous unknown, his consciousness becomes focused on survival and the foundations of his beliefs—his ideas about betterment and salvation—are forever altered. Suspenseful, incisive, and illuminating, *The Road to the Salt Sea* is a story of family, fate, religion, survival, the failures of the Nigerian class system, and what often happens to those who seek their fortunes elsewhere.

About the House E Smith Sleigh, 2020-12-18 Quotes about Home No matter who you are or where you are, instinct tells you to go home. - Laura Marney No one leaves home unless home is the mouth of a shark.— Warsan Shire No matter under what circumstances you leave it, home does not cease to be home. No matter how you lived there - well or poorly. - Joseph Brodsky I want my home to be that kind of place—a place of sustenance, a place of invitation, a place of welcome. - Mary DeMuth You can have more than one home. You can carry your roots with you and decide where they grow. - Henning Mankell There is no place more delightful than one's own fireside. - Cicero My grandmother and great aunt and uncle provided a better atmosphere for me than my parents. I loved their home and longed for it when I was away. I thought of it as my refuge. When I left for college, I decided I would make a pleasant home like theirs for my own family. As in my childhood, I moved many times in my adult life. I tried to maintain homes that were organized and full of laughter. My goals were well intended. The truth, without platitudes and excuses, is that maintaining a good atmosphere in anyone's house is difficult when the people who dwell there don't agree with your goals or they become ill and pass away. Also, events outside of your home, the human world or your government, may transform the circumstances inside your home. People come and go in life. I've learned that the home you create must first be present within yourself. Build that wonderful home and never allow it to fall down or be torn down. - e. smith sleigh Under no circumstances do you allow your home to become, or be made into, a cage. - e. smith sleigh

Maya Blue Brenda Coffee, 2025-05-20 For fans of *Breaking Bad* and *Narcos*, a searingly honest and unforgettable memoir that challenges women to rethink everything they know about survival, resilience, and finding their voice. At twenty-one, Brenda Coffee surrendered herself to her marriage and became a woman who would do almost anything her charismatic and powerful older husband, Philip Ray, wanted. Regardless of whether it was dangerous, adventurous, sexual, or illegal, she wanted to be the one woman he couldn't live without. Brenda and Philip's life together was a fairy tale until it wasn't. Until

Philip, the founder of two high-profile, groundbreaking public companies, began making real cocaine in their basement and became addicted. Until the Big Six tobacco companies threatened their lives for creating the first smokeless cigarette—Brenda coined the terms vape and vaping—and brutal Guatemalan military commandos forced her into the jungle at gunpoint. A suspenseful, fast-paced memoir that reads like a thriller, *Maya Blue* will strike a chord with those who've lost their voice or had trouble finding their power. It will resonate with those who live with an addict or have grieved the loss of a spouse. But above all, it is an inspiring reminder that as long as you never surrender your voice and always keep your wits about you, you can survive almost anything.
