Ronald Colman Sam Frank,1997-04-16 One of the most enchanting figures of the silver screen, Ronald Colman appeared in such classic films as *Beau Geste*, *The Prisoner of Zenda*, *Lost Horizon*, and *A Tale of Two Cities*. He was nominated four times for the Academy Award, which he won for a spectacular performance in *A Double Life*. His voice was unrivaled, and he had a brilliant career as a radio star. A charismatically photogenic performer, he was voted the handsomest actor in Hollywood on several occasions. His superior skills, his dashing visage, and his resonant speech made him one of the most sought after and acclaimed stars of his day. In spite of his enormous talent and supreme achievements, Ronald Colman has strangely been overlooked. This immensely detailed reference book brings Colman's life and career into sharp focus, corrects misleading information about him, and comments on the critical response to his work. The heart of this expertly researched volume is a series of chapters with entries for Colman's many hundreds of performances in film, radio, and television. Entries provide full production information, plot synopses, excerpts from reviews, and valuable commentary. An extensive annotated bibliography summarizes and assesses material written about Colman, and the author scrupulously debunks the many myths that have been written about Colman in previous publications.

When the Stars Went to War Roy Hoopes, 1994 Often told in the performers' own words, When the Stars Went to War is the story of Douglas Fairbanks, Jr., Jimmy Stewart, Clark Gable, Henry Fonda, and the other leading men who went into combat. It is the story of Carole Lombard, Bette Davis, Groucho Marx, Jimmy Cagney, Greer Garson, and a host of others who raised millions for the war effort by selling bonds, and of such luminaries as Marlene Dietrich, Mickey Rooney, Bob Hope, Bing Crosby, and Jack Benny, who put themselves in considerable danger entertaining troops at the front. And, of course, it is the story of the ones who stayed behind: those who tried to enlist and were turned down, those who were given cushy home-front jobs, those who passed the time having love affairs with the spouses or lovers of fellow actors who had gone to war - the hardworking and the guilt-ridden. Perhaps the stars' most important contribution to the war effort was the films they made, films that kept up morale and inspired America's fighting men. As one young G.I. put it, Somehow it's better to be fighting for Lana Turner than it is to be fighting the Great Reich ... because she is all our girls rolled into one.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
