## John Rodman Williams

*Man Is Not Alone* Abraham J. Heschel, 2025-08-22 *Man Is Not Alone* is a profound, beautifully written examination of the ingredients of piety: how man senses God's presence, explores it, accepts it, and builds life upon it. Abraham Joshua Heschel's philosophy of religion is not a philosophy of doctrine or the interpretation of a dogma. He erects his carefully built structure of thought upon foundations which are universally valid but almost generally ignored. It was *Man Is Not Alone* which led Reinhold Niebuhr accurately to predict that Heschel would become a commanding and authoritative voice not only in the Jewish community but in the religious life of America. With its companion volume, *God in Search of Man*, it is revered as a classic of modern theology.

**God in Search of Man** Abraham Joshua Heschel, 1955 Abraham Joshua Heschel was one of the most revered religious leaders of the 20th century, and *God in Search of Man* and its companion volume, *Man Is Not Alone*, two of his most important books, are classics of modern Jewish theology. *God in Search of Man* combines scholarship with lucidity, reverence, and compassion as Dr. Heschel discusses not man's search for God but God's for man--the notion of a Chosen People, an idea which, he writes, signifies not a quality inherent in the people but a relationship between the people and God. It is an extraordinary description of the nature of Biblical thought, and how that thought becomes faith.
