**Tangled** Carolyn Mackler,2009-12-29 Paradise wasn't supposed to suck. Not the state of being, but a resort in the Caribbean. Jena, Dakota, Skye, and Owen are all there for different reasons, but at Paradise their lives become tangled together in ways none of them can predict. Paradise will change them all. It will change Jena, whose first brush with romance takes her that much closer to having a life, and not just reading about those infinitely cooler and more exciting. It will change Dakota, who needs the devastating truth about his past to make him realize that he doesn't have to be a jerk just because people think he's one. It will change Skye, a heartbreakingly beautiful actress, who must come to terms with the fact that for once she has to stop playing a role or face the consequences. And it will change Owen, who has never risked anything before and who will take the leap from his online life to a real one all because of a girl he met at Paradise. . . . From confused to confident and back again, one thing's certain: Four months after it all begins, none of them will ever be the same.

**Seth Baumgartner's Love Manifesto** Eric Luper,2010-06-08 Seth Baumgartner just had the worst day of his life. His girlfriend dumped him (at Applebee's), he spied his father on a date with a woman who is not his mother (also at Applebee's!), and he lost his fourth job of the year. It's like every relationship he cares about is imploding, and he can't figure out what's going on. To find answers, Seth decides to start an anonymous podcast called The Love Manifesto, exploring what

love is, why love is, and why we're stupid enough to keep going back for more. Things start looking up when Seth gets a job at a golf club with his hilarious and smut-minded best friend, Dimitri, and Dimitri's sister, Audrey. With their help, Seth tracks down his father's mystery date, hits the most infamous bogey in the history of golf, and discovers that sometimes love means eating the worst chicken-salad sandwich you can ever imagine.
