Night Magic L. Valente, S. King, 2018-03-14 Mixing magic and street smarts, bounty hunter and P.I. Aster Night always gets her man. Except when it comes to...literally getting a man. Thanks to a curse placed on the Chastity coven centuries ago, she can't get busy with anyone until she marries a man from the sanctimonious, boring, holier-than-thou Koda coven. Yeah, no thanks. Instead, she finds a way out of the curse on her own, breaking it with such a bang that she ends up naked with one sexy as sin man and making some major emotional and physical connections with his two, oh-so-alpha clan brothers. Her love life is looking up, until she's hired to track down a serial killer preying on witches, and learns her three new boyfriends were once romantically involved with one of the victims. Now, she has to choose--her heart or her career. Yes, Rake makes her laugh, Finn makes her knees weak, and Damon makes her feel safe in a way she never has before, but these men are too close to her case. So close she's afraid one of them might become a killer's next victim... *This WHITE HOT reverse harem paranormal romance series is intended for readers 18 and over. This is a true reverse harem featuring one woman and her three fated mates.*

Awakening Angel Eva Brandt,2019-04-26 Six men, one woman, a curse threatening to tear them all apart.I've never really believed in the idea of soulmates, but if I had, I suppose I might've seen it through the pink lenses of the romance movies that I enjoy more than I would like to admit. But movies aren't reality, and my luck has only ever been of one type--rotten. It stands to reason that my supposed love story and whirlwind soulmate romance turns out to be anything but rosy.It takes one single wrong decision, one night of reluctant clubbing, for my life to turn to hell. Suddenly I'm surrounded by shape-shifting assassins, vampires who say they want to devour me, and immortal princes who claim they can't feel. For some reason, more than one of them seems to think that I'm their soulmate, and that because of that, they need to die. To protect me from some awful, ancient curse, apparently, as if I'd ever ask for my life to be kept safe at the cost of their own. It's up to me to change their minds, because nobody else seems to have any sense whatsoever.Between having to wrangle suicidal soulmates, the mysterious voice that has suddenly popped up in my head and a strange power I hadn't even been aware I had, my hands are more than a little full. FML.Honestly, I really wish I'd stayed home and just watched a movie. How is this my life?Awakening Angel is a 84.000 words reverse harem dark paranormal romance that contains M/M content, cussing, violence and dark themes. Some readers may find certain elements disturbing. But if you're in the mood for something edgier, by all means, join my insanity!

Twisted Soul Morgan B. Lee,2024-10-27 The secret is out: I'm the prophesied scourge, and according to the Legacy Council, my quintet and I must be hunted down and destroyed immediately. With the size of the bounty they've put on our

heads, there's no telling who we can trust. Going on the run feels cowardly, but it's necessary. We need time to regroup so I can move on to the next step of my plan to free the humans trapped in the Nether. We also have to figure out how I'm being mysteriously bound to each of my matches. It should be impossible, yet the more we bond against all odds, the more powerful I feel. Getting closer to them feels so good. No matter what my inevitable fate holds, they make it worth it. But all this newfound power from bonding is doing something to the shadow heart in my chest-strengthening my link to the Entity and putting my quintet in even more danger. And not the fun kind. Amid this two-way game of cat and mouse with immortal monsters and navigating the intricacies of bonding with my quintet, an unexpected secret is emerging from the dark shadows of my past. Something I wasn't prepared for. It seems the gods have been playing games. Fine. Game on. Intended for 18+ readers due to very strong language, graphic violence, dark themes, and explicit sex scenes, including group sex (no M/M). Please read the updated TW. Book 3 of 4. Blood Oath Morgan Lee, 2025-07-25 Everbound University is the mandatory graduate school for anything that goes bump in the night. Not going isn't an option, unless you want to be hunted down for illegally inhabiting the mortal world. All legacies—the descendants of the Four Houses—are required to attend because we're all cursed, and the only way to break our curses is through binding our hearts in a quintet. Becoming part of a quintet is a dream come true. Destiny fulfilled. A gods-given, merciful blessing. For me, it's a hard pass. I can't be bound to anyone else. Trust me, it wouldn't end well. So when I'm placed in a quintet, I promptly reject all four of my matches for their own good. But these powerful, gorgeous, high-profile legacies have no idea how to handle rejection, because... The cutthroat blood fae shows me his soft side. The charming dragon shifter won't leave me alone. The unhinged nightmare prince calls me darling. And the gorgeous ice elemental is as overprotective as he is cold. They're the kind of deadly perfection that draws attention. Which is exactly what I'm trying to avoid, since no one can know my secret. I'll do whatever it takes to make them decide I'm not worth the chase. The problem is, no matter what I do to make them hate me, it only seems to have the opposite effect... This is a why choose/reverse harem paranormal romance. If you like fated mates, multiple POV, a variety of possessive guys who are unhinged for their girl, and an equally broken but determined FMC, this series is for you. Intended for 18+ readers due to strong language, violence, dark themes, and explicit sex scenes including group sex (no M/M). Please read the TW. No AI content here. Book 1 of 4.
