Robert Tamasy

The Sounds of Love and Grace Jimi Calhoun, 2020-02-14 The book you are holding results from years of research carried out as I traveled the world as a rock musician followed by living abroad as a minister. Did you know that all the music ever created in the West has its origin in just twelve sounds? From rock to bluegrass, to gospel to the intricate arrangements of classical, it all came from only twelve notes. That happened because musicians found an infinite number of tonal combinations to use within the twelve-note scale. What today's social ills have in common with music is that they exist because of a failure on our part to have a similar vision for the Ten Commandments. That vision is one of limitless applications for them. This book approaches the Ten Commandments in the same manner that musicians approach the twelve-note scale—with a desire to create something fresh, building on what has come before. This book uses the “ten sounds” to create a different melody to sing in the areas of racial injustice, disability, gender inequality, and to bring healing to the wounds that linger on in some communities because of unjust activities engaged in by some of our forebearers.

Break up with Defeat Jermaine Francis, 2017-02-14 Do you feel unmotivated, drained, overwhelmed, and beaten up by life? Are you just going through the motions, but have no passion? Do you feel like defeat is your best friend because you have experienced it so much? Public speaker Jermaine Francis talks straight about how defeat is ruling many of our lives and how to get free from under it. Jermaine has gone through his own journey of breaking up with defeat; he wants to help you get there. Through stories, scriptures, humor, and practical tips, he shows the way to anyone who needs the victory of God in their lives. In these pages you'll discover the five mindsets of defeat robbing from you the traps of defeat; how to get victory in every circumstance; how to live a life of sustained victory; and how to bring victory to others. Jesus purchased victory for your life, but we must be willing to break up with defeat to experience it. This book will shift you from being a victim to a victor. If you are ready to live differently and see victory every day in your life but don't know how, this book is for you.

Your Best Life Now (Special 10th Anniversary Edition) Joel Osteen, 2014-08-05 Live boldly and act on your most powerful beliefs with this life-changing guide to faith, positive thinking, and spiritual fulfillment from #1 New York Times bestselling author Joel Osteen. Pastor Joel Osteen asks everyone to examine what he or she really believes. Why is this important? Because we will become what we believe. Our beliefs will prove either a barrier or vehicle as we strive to go higher, rise above our obstacles, and to live in health, abundance, and victory. In *Your Best Life Now*, Osteen says, I am what I am today

because of what I believed about myself yesterday. And I will be tomorrow what I'm believing about myself right now. God sees us as more than conquerors, able to fulfill our destiny. We need to see ourselves through the eyes of our Creator. He says that our self-image should mirror exactly what God says about us, not what we feel or think. And he encourages readers to be people of faith, for if you can see the invisible, God will do the impossible.

The Good and Beautiful You James Bryan Smith, 2022-05-31 Christian faith is about more than belief and practices—it is also about the kind of people we become. This Good and Beautiful Series book addresses the toxic self-narratives that hinder spiritual growth, reminding us how Scripture reveals the beauty of our own souls and serving as a companion as you discover who you truly are in Christ.

The Psalms in the New Testament Rev. Steven D. Harduk BRE MDiv CH, 2022-07-18 The Psalms in the New Testament is a study of various Psalm quotations in the New Testament with additional material on the Psalms, their structure, history, theology, themes, and use in worship. The Psalms are more than exquisite and emotional expressions of our faith, they reveal the foundation and unity of our theology. They show that our New Testament beliefs are rooted in the Old Testament. Our Judeo-Christian faith is ancient, yet just as relevant today as it was thousands of years ago. The focus is upon seventeen specific Psalm quotes to show the wonderful theology in the Psalms, which fully merges into the New Testament, especially in the area of Christology. In studying these portions of Scripture, we are connected with the saints of old. We share in their struggles, hurts, anger, and confusion, yet by faith see the working of God in our lives. These songs, whether they be laments or praises, reveal our human condition and that our greatest purpose is to glorify God. Like them, we meditate upon well-known verses to see the wonderful works of God. We are reminded to trust in the Lord; that ultimately the only thing that truly matters is to know God and obediently walk with Him. May this brief study in the most quoted Old Testament book encourage you to rejoice in the person and salvation of our Lord Jesus Christ!

Jesus Works Here Robert Tamasy, 1995 In over 40 succinct, quick-reading chapters, more than 30 contributors show you how to use God's teaching to deal with decision making, time management, stress, and other daily challenges that face all of us in the office, in the field, or on the factory floor, as well as in the home and the community.

PILLAR OR PITFALL: MOUTHS THAT BREAK D.R. OFORI, 2025-06-28 By speaking life, truth, and affirmations aligned with spiritual beliefs, individuals can break free from a mindset of limitation and open the door to confidence, hope, and renewal. Words of faith can lead to spiritual transformation and mental healing, breaking the stronghold of negative self-

perception. Words of apology, forgiveness, and reconciliation can spiritually break down walls of resentment, anger, or bitterness between people. In spiritual contexts, healing words, prayers for reconciliation, and speaking with love can mend broken relationships and restore harmony. Proverbs 15:1 talks about how a gentle answer turns away wrath, indicating that the right words can break the cycle of conflict and open the door to peace and healing in relationships. Spiritually, words of prayer, blessing, and declaration can break generational curses or cycles of negative patterns that have been passed down through families. Many belief systems, including Christianity, speak of the power of speaking blessings, renouncing curses, and declaring God's promises to undo the spiritual impact of harmful family legacies.
