This booklet attempts to help its readers to become more effective oral communicators in various scenarios. Every chapter in this booklet is largely divided into three parts: (1) reflective and motivational quotations, (2) guidelines for communication in a certain context, and (3) versatile phrases for that context. The quotations are intended to emotionally and philosophically motivate the readers to strive for better communication. The guidelines are intended to cognitively guide the readers in their communication practices. And the versatile phrases are intended to logistically supply for the readers' communication practices.

Doing Good, Great Scott George, 2015-09-16 "In *Doing Good, Great*, Pastor George has captured the true essence of these Orlando leaders and shares their unique qualities that propel them to the next level. Pastor George himself is truly one of these great leaders. . . . While this book shares the stories of some of Orlando's most impactful leaders publicly, the fact is, every day they do good, Great while no one is watching. This book will inspire you and encourage you to serve others in a way that will leave a lasting impact." Buddy Dyer Mayor, Orlando, Florida "Scott George has been an inspiration to me and so many in Central Florida by modeling the living out of the Gospel through "doing good" (The Great Commandment) and sharing the life-changing message of the Gospel—"good news" (The Great Commission). The Community Food and Outreach Center and Scott are shining lights in our community." Jack McGill President, Elevate Orlando "If anyone is qualified to give secrets to living beyond ordinary, it is Scott George. On his own personal journey of stewardship in his community, Scott obviously has many uplifting and exciting stories to tell about his successes and the successful people he meets along the way. He humbly quotes others as being "wiser people" than himself, yet the wisdom he provides and the compassion he adds to back it up are life-changing!" Bill Mills Florida Prosperity Partnership "Scott has filled this book with powerful principles and life-changing stories that will inspire a little spark of advocacy for so many in need. They show how one can take the ordinary and do extraordinary work for those who are lost." Dick Batchelor Advocate, DBMG, Inc. *You Were Born for Greatness . . . to Leave a Beyond Ordinary Legacy* There are leaders who do good, Great and make a lasting impact on the world while leaving an enduring legacy that will inspire generations to come . . . and there are those who do not. What sets them apart? In *Doing Good, Great: 11 Secrets to Living Beyond Ordinary*, leadership authority Scott George, author of the powerfully inspiring books *Living Beyond Ordinary: Discovering Authentic Significance and Purpose* and *GPS: Guiding Principles for Success*, explores the lives of renowned and respected local and international leaders and reveals eleven key qualities and practices that make them great. You will discover life-changing truths and principles from great leaders like Dr. Martin Luther King, Jr., Nelson Mandela, Bill Gates, and many others who achieved greatness by doing good, Great. Have you believed for years you were meant to live for so much more, but continued to settle for an ordinary life? Or, are you looking for a new level of living a beyond ordinary life? In *Doing Good, Great*, you will be inspired by the lives of those who refused to be average and encouraged to make an awesome impact on your world, just like them, and to live a life beyond ordinary. To Dwell in Your House Susan Freeman, 2017-11-15 *To Dwell in Your House: Vignettes and Spiritual Reflections on Caregiving at Home* addresses the large population in need of more resources for the sacred work of caregiving. With current trends in healthcare, the objective is to keep patients out of hospitals, and to provide care at home. And yet, there are so few resources for caregivers in the home. Going beyond clinical pointers for caregiving, this book offers encouragement and inspiration, with thirty original and compelling vignettes. While these stories arise out of a professional chaplain's actual spiritual care visits, the insights and wisdom are relevant to anyone who faces the struggles and joys of being in a caregiving relationship. Additionally, the book provides contemplations to guide caregivers in their own personal growth, reflections to share with those patients who would benefit from spiritual reassurance, and theory upon which caregivers can build a solid foundation to support their efforts into the future. While caregiving can be a lonely business, through this book, caregivers will attain a sense of camaraderie with other caregivers. Besides giving practical strategies for interacting meaningfully and effectively with patients and their families, this book affirms the gift of caregiving, and also understands the challenges associated with it.
