God's Power to Change Your Life Rick Warren, 2008-09-09 In all of the years that Rick Warren has been a pastor, the number one question he's asked is Why can't I change? We want to make changes, but we often feel stuck. Let *God's Power to Change Your Life* be the first step on your journey to getting out of your rut and back into God's wonderful purposes for your life. It's no pie-in-the-sky theory. It's what redemption is about, and it's founded on the resurrection power of Jesus himself. Drawing simple but powerful truths from the Bible, this book gives you practical guidance for specific types of change and empowers you to actually make lasting the changes that you're longing for. Power that cancels your past and sets you free to get on with life. Power to conquer your problems. Power to change. The first two chapters help you lay the foundations for change. Then, taking you inside the Scriptures, Warren gives you a closer look at the fruits of the spirit and the profound impact they can have on your life. In *God's Power to Change Your Life*, Warren gives you the tools and the encouragement you need to: Become a more joyful person Cultivate a peaceful life in this uptight world Be a kinder, more gracious individual Replace self-indulgence with self-control Experience what the good life is all about As Warren reminds us, when you apply the truth of God's Word by the power of his Spirit, your life is sure to change.

God Betrayed Jerald Finney, 2008-08 *God Betrayed* explains: (1) the biblical principles concerning government, church, and separation of church and state which one needs to know in order to understand the First Amendment and why it was adopted; (2) the history of the theological warfare in the colonies that eventually resulted in the adoption of the First Amendment; (3) how and why, soon after the ratification of the Constitution and the First Amendment, many churches subjected themselves to the state; (4) how the Supreme Court has used the First Amendment religion clause to remove God from practically all civil government affairs; (5) how civil government entices many churches to abandon their Supernatural and First Amendment freedoms; and (6) how churches in America can operate totally under God and free from any control by civil government. After graduating from college in 1970 and serving as an army officer in the Viet Nam conflict, Jerald Finney worked for the railroad and then started and operated a photography studio in Fort Worth, Texas. He was saved in 1982. God called him to enter the legal profession. He entered the University of Texas School of Law in 1990, and was licensed to practice law in 1993. Since that time, the Lord has guided his career. In 2005, he became lead counsel for the Biblical Law Center. This book is the result of his in depth studies of the issue of separation of church and state, the main issue which is

addressed by the Biblical Law Center.

Influences of the Will Hermon T. Cotton, 2019-07-08 Your will is constantly being engaged with daily decisions. It's time you take control over the influences that have been directing your will! The advertising and marketing world have studied how we react to life for years, while most people turn and look the other way on the topic of the will. We have measured the will from a performance perspective for far too long while denying that the will is a part of our identity that connects us to God and constantly looking at what happens instead of examining why things happen. Becoming aware of the influences of the will allows us the freedom of pursuing God's will and our life's purpose. We no longer have to discuss free will without a clear perspective on how it relates to the responsibilities of freedom. It's time to begin using our will to create God's glory and call our purpose into order by acknowledging our dominion over our will and the relationships it engages. Hermon Cotton searches out the scriptures to explore what God has revealed to us about the influences of the will and how it relates to everyday life. This book is equipped with scripturally sound tools and insights for understanding the influences of the will's impact on everyday life. You can align your desires, plans, and motives with God's will for a purposeful and meaningful life. In this book, you will learn • how the influences of the will impact your everyday life and shapes your destiny, • how to understand how your will relates to God's plan on earth • how the influences of the will can help you become the overcomer God called you to be, and • how to align your will with the Holy Spirit and reflect God's glory. Plus, thoughtful moments are included with each main topic for reflection and application. The Thoughtful moments include a concluding concept, foundational scripture, and thoughtful questions that will reinforce your grasp on the influences on your will as you begin living to make God's glory known. God doesn't want you blind to marketing strategies that engage your will daily. He has already given you the identity of his child made in his image and likeness. So now it time to use our will like Jesus Christ, our model for aligning our will with God's will. So start reading your copy of Influences of the Will today and dive into a deeper understanding of your God-designed will as it relates to everyday life!

Unconventional Faith R. C. Linthicum, Sue Wier, 2023-05-03 Everyone at some point has encountered great pain in their lives, but a single heart-wrenching experience when I was a rebellious eighteen-year-old shook me to the core. It not only changed the course of my life but continues to touch the hearts of those who hear the story today. In this book, you will read about my true life experiences on and off the mission field. You will stand alongside me as I work with Mother Teresa in India. You will witness the miracles I experience first-hand in the Middle East and learn from my encounter with demons in the darkest corners of Africa. Come along with me on this journey as we explore what unconventional faith looks like. I will challenge you to take risks, move beyond your past mistakes, and develop a more authentic relationship with God.

There Is Life After A Death Rev. Cindy Phillips, 2025-05-15 As the title states: "There is LIFE after A DEATH. Learning from and Leaning into Life's Losses (including weight loss)". I'm not just talking about life after death when one goes to

heaven but about life after A death here on earth. I talk about all different kinds of deaths. This is not just a physical death. There are many other deaths or losses in our lives such as the death of a dream, health, marriage, empty nest, job, youth, finances, weight, divorce and unspeakable deaths just to highlight a few. I share with my readers the deaths I've experienced during my life time and how God has taken those experiences and used them for His glory. Each loss I experienced was a brick that formed a foundation for my biggest loss, the death of my husband of almost 45 years. In the chapters I include scriptures, stories to illustrate what we go through and practical applications. At the end of each chapter there will be a TAKEAWAY. This is an unusual book in that it is a conversation with my readers. It's real life, where the rubber meets the road.

We Are Never Alone Diane Whitaker, 2024-11-01 Things I wish someone told me sooner: Parents are human. Most people question what the best way is to read the Bible and understand it. Is there a way to use our knowledge so it isn't wasted? Now is the time to find insight and discover the truth of your existence. God approached someone and proclaimed, I am real. Then said, Write me a book about myself. She rejected the request. After thirty years, God presented her with a final test of her faith through an incurable illness. Her faith stayed intact, yet she suffered brain damage. No memory of words, people, and God. Emotions of a five-year-old. God's plan is unfolding as she embarks on a new life, slate wiped clean. God allowed her to gain faith in him on her own accord. She searched for God, and he revealed himself. God once more said, Write a book about me. She agreed. With God as her foundation, he invested a couple of years in nurturing her heart and teaching how he thinks. She came out completely changed, settled, and at peace. Living like she was already in paradise. God revealed his fundamental concepts that you will eagerly share with your children throughout their lives. Her entire life was orchestrated by God to give you his message. In We Are Never Alone, you'll discover. Why we exist on earth The God Talk How to get God's attention Experience God directly Notice God's presence in the lives of his servants, both past and present. You have come to a crossroad. It is your time. What actions do you plan to take? I know God placed this book before you for a reason!

I'm a Nobody Gregory M. Hasty, 2022-02-14 Did you ever want religion and faith to be explained straightforwardly without confusion or perplexing concepts? I'm A Nobody is written by someone like you. It takes everyday common sense and blends it with insight and lays out rational thoughts for believers and non-believers alike. You'll experience how to increase optimism and how to avoid the debilitating effects of worry and anxiety. Readers will explore the depths of what is considered our comfort zone and ways to break free into the areas more fulfilling. Discover how to find the elusive attribute of patience and then to recognize spiritual pride when it appears unwanted and unannounced. This reading is for anyone who has always wondered about how to speak to God and whether He hears what you're saying and explains how to become personal friends with the Lord. We then explore how to eliminate doubt and ways to become more generous. We'll travel along on an imaginary voyage that ventures into heaven to see the promised land, followed by the birth of angels and how they came into being assuming an active role in God's world. We'll gain insight about when Satan arrived and his tactics used on humanity to bring evil and sin into our world. After reading we'll be able to recognize his strategy and formulate a battle plan for protection. What's considered an idol and do we absent-mindedly worship random gods that lead us into lapses of wrongdoing? Contained inside are the types and severity of sins, what constitutes a miracle and what the Bible says about foolishness. The importance of corporate worship is highlighted along with what matters today, a chapter on Our Lives Matter. I'm A Nobody is for everyone, because God sees us all the same. No one is a nobody to God.

Watermelon Seeds Rev. C. Steven Melester, 2022-01-12 On a mission trip to Haiti in 2014, one of my many tasks was to distribute to local farmers some very special watermelon seeds. I was inspired and moved by the great desire and appreciation these subsistence Haitian farmers had for this meager allotment of seeds. These seeds were life! These seeds were hope! These seeds would bring food to their families, stability to their personal economy, meaning and purpose to their toil. And you better believe that they had prepared their soil. They had plowed the way for the seed to take root and be fruitful. How does the parable of the sower, seed, and soil from Matthew 13 speak to us today? God is the sower of all good seed but partners with us to help farm for the kingdom. I submit that the sowers of God's word could include those who share the word of God with humility and gratitude. They give witness to God's love and the truth of Jesus Christ with compassion, reason, confidence, and courage! They scatter seeds of the gospel and also help cultivate the soil that is our souls. They are not perfect but are genuine. They are those family members, friends, colleagues, strangers, ancestors, and fellow brothers and sisters in Christ, who have had a serendipitous part to play in our spiritual formation. I pray that Watermelon Seeds, in some modest way, will perhaps enlighten a deeper understanding, appreciation, and recognition for all those seed scatterers that come into our lives!

With God's power and direction, they can thrive in the midst of what ever is thrown their way. Thriving on the Jagged Edge is about experiencing God's best in life's toughest situations. A natural follow-up to Max Davis' Desperate Dependence, this book helps the reader discover that while we can't always choose what life will hand us, we can choose the way we will respond. And the way we respond will affect our future. God can turn our difficulty around and work it for our good - if we let Him. The Purpose Driven Life Rick Warren, 2016-07-08 You are not an accident. Even before the universe was created, God had you in mind, and he planned you for his purposes. These purposes will extend far beyond the few years you will spend on earth. You were made to last forever! Self-help books often suggest that you try to discover the meaning and purpose of your life by looking within yourself, but Rick Warren says that is the wrong place to start. You must begin with God, your Creator, and his reasons for creating you. You were made by God and for God, and until you understand that, life will never make sense. This book will help you understand why you are alive and God's amazing plan for you - both here and now, and for eternity. Rick Warren will guide you through a personal 40-day spiritual journey that will transform your answer to life's most important question: What on earth am I here for? Knowing God's purpose for creating you will reduce your stress, focus your energy, simplify your decisions, give meaning to your life, and, most importantly, prepare you for eternity. The Purpose Driven Life is a blueprint for Christian living in the 21st century - a lifestyle based on God's eternal purposes, not cultural values. Using over 1,200 scriptural quotes and references, it challenges the conventional definitions of worship, fellowship, disciple.
