That Ring Jillian Dodd, 2019-11-26 She's a superstar actress. He's a championship-winning quarterback. When megastar actress Jennifer Edwards is being hounded by the paparazzi after a highly publicized breakup, her friend Jadyn reaches out, suggesting she come to stay in Kansas City as a quiet reprieve from the madness swirling around her. Fate takes an unexpected turn, and it isn't long before Jennifer meets Danny Diamond, the charismatic Kansas City quarterback hoping to win his third championship ring. Sparks fly between the two, and as fans from both sides watch their love story play out, everyone hopes for the happy ending that could put a ring on both of their fingers.

That Girl Jillian Dodd, 2025-11-25 She's carrying more than a secret-she's carrying his future. After one unforgettable summer, Ainsley Archibald and Damon Diamond vowed to make their relationship work, despite the miles and the pressure. Damon's chasing his dream as a college football star. Ainsley's back home, finishing her final semester and carrying something that will change both their lives forever. She's pregnant. And he doesn't know. Determined not to derail his future, Ainsley plans to keep the baby a secret-at least for now. They talk every day. He sends updates from practice; she watches his games. And between long-distance phone calls and weekend visits, they're falling harder than ever. Their love is real and strong. But as her belly grows, so do her fears. Damon will be an amazing dad-she knows that. But is he ready to be her partner? The longer she waits, the heavier the secret-and the harder it is for her to pretend everything is fine. Because love means sacrifice. But it also means trust. And some secrets are just too big to keep. When the truth finally comes out, will it tear them apart-or will Damon fight to spend forever with the girl of his dreams? For readers who love heart-tugging romance, long-distance love, and swoon-worthy heroes who fight for their forever. Perfect for fans of Off-Campus, After, and That Boy.

That Promise Jillian Dodd, 2021-06-08 Growing up, Devaney Diamond and Chase Mackenzie promised to go to college together. But it's been two years since the summer that changed everything between them, and their friendship hasn't recovered. Now, Dani is faced with all the challenges of her freshman year of college-navigating rush week, making new friends, and living on her own-which is both exhilarating and intimidating. In high school, Dani was homecoming queen and head cheerleader. She should be able to handle the pressure, but college has been more overwhelming than she expected.

Chase, on the other hand, is living the dream. It's his senior year of high school, his football team is hoping to go undefeated, and he's being heavily recruited. When Dani returns home for a weekend, she realizes why college feels so overwhelming-she doesn't have Chase to share it with. In hopes of salvaging their friendship, she repeats an old tradition-sneaking over to his room with pizza after his game. But instead of fixing their friendship, they end up sleeping together. Chase is thrilled that Dani is back in his life, but being friends with benefits when feelings are involved is more complicated than Chase imagined. Will Chase and Dani work through their feelings for one another, or will their childhood promise be shattered when Chase announces what college he will commit to?

That Crush Jillian Dodd,2025-06-10 (not final) When Damon Diamond first laid eyes on Ainsley Archibald at fifteen, he knew it was more than just a crush. But with her four-year age gap and her indifference, he had to keep his feelings at bay. Three years later, everything has changed. Damon's no longer the boy she barely noticed-he's grown into a confident, irresistible man with one goal for the summer: to make Ainsley fall for him. Ainsley arrives at the Ozarks for her family reunion, eager to get back out there after a bad breakup. But the moment she lays eyes on Damon, everything shifts. He's hot, heading to college, and the chemistry between them is undeniable. What starts as harmless flirting quickly spirals into feelings that neither of them can ignore. Torn between wanting him and fearing the consequences of his age, Ainsley must decide if she's ready to risk everything for a summer of love. Because Damon isn't just after a fling-he wants her heart. Can they resist the pull between them? Or will this summer spark something that could last a lifetime?

In the Best Interest of Students Kelly Gallagher,2023-10-10 In his new book,In the Best Interest of Students: Staying True to What Works in the ELA Classroom , teacher and author Kelly Gallagher notes that there are real strengths in the Common Core standards, and there are significant weaknesses as well. He takes the long view, reminding us that standards come and go but good teaching remains grounded in proven practices that sharpen students' literacy skills.Instead of blindly adhering to the latest standards movement, Gallagher suggests:Increasing the amount of reading and writing students are doing while giving students more choice around those activitiesBalancing rigorous, high-quality literature and non-fiction works with student-selected titlesEncouraging readers to deepen their comprehension by moving beyond the four corners of the text-Planning lessons that move beyond Common Core expectations to help young writers achieve more authenticity through the blending of genresUsing modeling to enrich students' writing skills in the prewriting, drafting, and revision stagesResisting the de-emphasis of narrative and imaginative reading and writingAmid the frenzy of trying to teach to a new set of standards, Kelly Gallagher is a strong voice of reason, reminding us that instruction should be anchored around one guiding question: What is in the best interest of our students?

Red Comet Heather Clark,2021-09-28 PULITZER PRIZE FINALIST • The highly anticipated biography of Sylvia Plath that focuses on her remarkable literary and intellectual achievements, while restoring the woman behind the long-held myths about her life and art. "One of the most beautiful biographies I've ever read. —Glennon Doyle, author of #1 New York Times Bestseller, *Untamed* With a wealth of never-before-accessed materials, Heather Clark brings to life the brilliant Sylvia Plath, who had precocious poetic ambition and was an accomplished published writer even before she became a star at Smith College. Refusing to read Plath's work as if her every act was a harbinger of her tragic fate, Clark considers the sociopolitical context as she thoroughly explores Plath's world: her early relationships and determination not to become a conventional woman and wife; her troubles with an unenlightened mental health industry; her Cambridge years and thunderclap meeting

with Ted Hughes; and much more. Clark's clear-eyed portraits of Hughes, his lover Assia Wevill, and other demonized players in the arena of Plath's suicide promote a deeper understanding of her final days. Along with illuminating readings of the poems themselves, Clark's meticulous, compassionate research brings us closer than ever to the spirited woman and visionary artist who blazed a trail that still lights the way for women poets the world over.
