*The Candlestick Bible* Oleg Pozhidaev, 2018-02-20 The Candlestick Bible is the second book in the The Intelligent Trader series by Oleg A. Pozhidaev. The Candlestick Bible goes through dozens of different chart patterns and teaches traders what to look for, how to analyze them, and how to place profitable trades using these patterns. The book consists of four main parts which are Trend Line Patterns, Multi-Candle Patterns, Single Candle Patterns, and Useful Indicators. The easy to read format and explanations will allow traders to become proficient in reading price charts and be able to tell where price action is going next at a moment's notice. This book is a must read for those who wish to understand candlestick patterns and the underlying principles behind the patterns which allow for profitable trades. Towards the end we discuss useful indicators that readers can add to their own trading toolbox. The indicators covered pair extremely well with candlestick technical analysis strategies. The patterns covered in this book include Japanese Candlestick patterns, common patterns such as head and shoulders, hammer candles, the 5 different types of Doji, triangles, channels, pennants and flags, engulfing candles, Belt-Holds, and many other easy to use but powerful setups. We also discuss much rarer and lesser known candlestick patterns which can serve as extremely powerful trade setups such as Tasuki Gaps, Star patterns, and many more. The information covered in the final chapters will detail using momentum based indicators, Fibonacci and Elliott Wave based studies, as well as other powerful trade indicators which allow professional traders to take advantage of the average investor. This book is a must read for those who wish to compete against professional traders and take their skills to the next level.

**The Ultimate Guide to Candlestick Charting** Alex Richards, 2023-06-14 Do You Want To Turbocharge Your Trading Game? Are you looking for a reliable way to predict market direction or trader emotion? Do you need an easy-to-understand guide on how to read candlestick charts and use them to make a profit? Here's How You Can Take Your Trading To The Next Level! Introducing The Ultimate Guide To Candlestick Charting By Alex Richards! When it comes to stock market investing for beginners, technical analysis, and stock patterns, candlestick charting is one of the most popular and essential tools for beginners and seasoned veteran traders. The reason is simple. As you already know, stock and FOREX trading is heavily influenced by trader emotion, which results in pattern formation. Those patterns allow those who can read, understand, and predict them to gain an edge and get one step closer to their goal: to dominate the market, make more profit, and find financial freedom. But Understanding Candlestick Charts Can Be A Challenge, Right? Not anymore! Candlestick charts originated in Japan in the 1700s. They were used to predict the link between price and the supply and demand of rice - while considering the emotions of traders. Nowadays, candlestick analysis is one of the most critical weapons in any trader's arsenal who wants to succeed in FOREX trading or stock investing. Alex Richards, the author of this game-changing candlestick course and expert trader, has created a fluff-free, easy-to-follow, beginner-friendly, candlestick bible that will allow you to: Understand The Fundamental Importance Of Candlestick Stock Patterns Learn How The Stock Market Works And How To Make Money In Stocks Find Out How To Read Use Candlestick Charts To Gain An Advantage Discover The Differences Between Various Candlestick Charts And Find In-Depth Candlestick Technical Analysis Analyze The Stock Market

Like An Expert And Predict The Patterns Of Stock Options, And Options Trading Markets But Wait... There's More! No candlestick trading bible is complete without a BONUS! Alex Richards has distilled her years of experience in fundamental analysis of candlestick charts into a cheat sheet that will give you a behind-the-curtain glimpse of the most powerful candlestick patterns and help you use them to supercharge your trading game. And The Best Part? You don't need decades of stock trading experience to understand how candlestick charts work. Bloomberg Visual Guide to Candlestick Charting Michael C. Thomsett,2012-01-25 The easy-to-use guide to interpreting candlestick charts and derivative markets Candlestick charts are an effective way of visualizing price movements and, due to the increased interest in the complex derivatives market, they are being used more and more widely. A combination of a line-chart and a bar-chart, where each bar represents the range of price movement over a given time interval, candlestick charts are most often used in technical analysis of equity and currency price patterns. A guide to the most used charts, The Candlestick Glossary is arranged in an easy-to-use manner, providing a quick reference for those new to the field. Candlestick charts are formed with the help of the opening, high, low, and closing price of the day—if the opening price is above the closing price then a filled candlestick is drawn, and these charts are visual aids for decision making in forex, stock, commodities, and options trading. Contains alphabetical explanations of over 200 candlestick and related terms Includes daily charts of 50 companies, and six-month charts for comparative explanations of candlesticks with Western-style technical indicators Written by Michael C. Thomsett, author of over sixty books and hundreds of articles, including the bestselling Getting Started in Bonds, also published by Wiley A practical and concise resource for anyone new to this way of representing derivatives, The Candlestick Glossary presents sometimes confusing concepts in a format that is easy to understand and digest.
