The great book of French impressionism D. Kelder,1975

*The Great Book of French Impressionism* Diane Kelder,2000-09-01 The return of the revised edition of the most popular volume on French Impressionism, offers inspired, authoritative text and hundreds of exquisite illustrations. The Great Book of French Impressionism celebrates the richness and exuberance of the Impressionists's world—a world of light and color, of sunlit fields and shimmering waterscapes, of bustling city views and intimate domestic scenes. The 400 illustrations in this handsomely designed volume faithfully capture the subtle nuances of light and keen perception that make French Impressionist paintings unique. This edition features recent scholarship, more complete backmatter, and an expanded index. In her thoughtful and cogent text, art historian Diane Kelder traces the development of Impressionism from its roots in landscape and realist painting through its focus on modern urban life to its ultimate goal: to fix on canvas the fleeting moods and effects of nature in an ever-changing world. The author weaves into her narrative fascinating anecdotes and excerpts from contemporary essays and letters, examines in detail the lives and works of all the major Impressionists and Post-Impressionists, including Manet, Monet, Renoir, Degas, Toulouse-Lautrec, Seurat, and Cezanne, and shows how their work influenced others, ultimately giving rise to the new art of the twentieth century.

**The Great Book of French Impressionism** Horst Keller,1975 200 color illustrations of painter living in Paris in 1874 launched their own exhibition of their work. Together they evoke the enchantment of one of the most brilliant epochs in art.

**The Great Book of French Impressionism** Diane Kelder,1997-10-01 Born in controversy, christened in scorn by a sarcastic critic, and developed amid a continuing struggle for recognition and solvency, French Impressionism finally emerged as a powerful and immensely popular artistic movement whose appeal remains undiminished today. The Great Book of French Impressionism celebrates the richness and exuberance of the Impressionists' world--a world of light and color, of sunlit fields and shimmering waterscapes, of bustling city views and intimate domestic scenes. This handsomely designed Tiny Folio packs over 200 full-color illustrations, faithfully capturing the subtle nuances of light and keen perception that make French Impressionist painting unique. The text traces the development of Impressionism from its roots in landscape and Realist painting through its focus on modern urban life to its ultimate goal: to fix on canvas the fleeting moods and

effects of nature in a world that stands still for no one. The works of the major Impressionists and Post Impressionists, Manet, Monet, Renoir, Degas, Toulouse-Lautrec, Seurat, and Cézanne, are featured and show how they influenced others in the movement, ultimately giving rise to the new art of the twentieth century.

Henry Ossawa Tanner Henry Ossawa Tanner,Anna O. Marley,2012 "This book constitutes a very welcome contribution to the public appreciation and scholarly study of Henry Ossawa Tanner, a painter of considerable significance in both Europe and America, and one whose religious imagery merits careful consideration. These well-researched essays by an international team of scholars offer substantial reflections on complex issues of race and religion, and situate the artist's work and career within the context of his life and times. This is a robust framing of Tanner as a cultural phenomenon and one that readers will find quite rewarding."—David Morgan, Professor of Religion at Duke University and author of *The Embodied Eye: Religious Visual Culture and the Social Life of Feeling* "Henry Ossawa Tanner has finally been recognized as an important artist in the last twenty years, and is now firmly part of the American canon as the first major African American painter to emerge from the academy. This book enriches our understanding of Tanner's historic place in American art by considering his work as an early modernist religious artist—a status entwined with his race, but not defined by it. These essays, by an impressive collection of scholars, are full of substantially new material, and succeed in broadening our conception of Tanner's life and work."—Bruce Robertson, Professor of Art and Architecture at the University of California, Santa Barbara.

*The Impressionists at First Hand (Second) (World of Art)* Bernard Denvir,2023-11-14 An updated edition of this classic collection of letters, critical reviews, and reminiscences by impressionist artists and their contemporaries. The impressionists—Claude Monet, Édouard Manet, Edgar Degas, Berthe Morisot, Camille Pissarro, Pierre-Auguste Renoir,

Alfred Sisley, and others—are probably the most popular of all artistic schools. Their struggle to impose a new vision is one of the most absorbing stories in the whole history of art. With imagination and insight, art historian Bernard Denvir brings impressionism into focus by showing it through the eyes of the artists themselves and their contemporaries, against the background of the time. Through letters, critical reviews, statements, and reminiscences of the people who were there, the story of this groundbreaking art movement comes alive. This was the age of innovation, political liberalization, emergent photography, and modern ideas about perception. The impressionists had new ways of painting, but they also had a new world to paint. This revised edition now features full-color reproductions of art throughout and an updated bibliography.

**Impressionists in England (Routledge Revivals)** Kate Flint,2016-02-05 First published in 1984. The late nineteenth and early twentieth centuries represent not only era of rapidly changing artistic methods but a crucial evolution in art criticism. This book gathers together a wide-range of the criticism that greeted the work of the Impressionists artists in the English Press. The selected examples of praise and antagonism reflect the sentiments expressed in the comments of prominent newspaper and periodical critics. The selection shows the importance of Impressionist art to English art criticism and wide comprehension of the formal qualities in painting. It also demonstrates how forward-looking critics created new criteria for the discussion of modern painting.

*The Art of the Impressionists* Horst Keller,1980 A survey of works by French artists of the Impressionist movement focuses on Pissarro, Sisley, Manet, Morisot, Monet, Renoir, Cassatt, Degas, and Toulouse-Lautrec.
