**The Fashion Oracle** Nieve Tierney, 2025-04-10 Nothing to wear? Lost your fashion path? Is your look, and life, in need of divine inspiration? Consult the fashion oracle and discover your style destiny. With 70 beautifully illustrated archetypes inspired by the House of Chanel, this beautiful oracle is a brand new mode of divine guidance. Style and life insights from reiki master Nieve Tierney and esoteric thoughts inspired by Coco Chanel's lifelong passion for divination are accompanied by fascinating stories of Coco herself and her iconic House, and how she fulfilled her destiny to become the most celebrated couturière of all time. To use the oracle, hold it close to your heart and turn the pages to the left, then to the right, while holding your sartorial conundrum in your mind. Open the book and discover the day's style inspiration within. Featuring stunning images by renowned fashion illustrator Joanna Layla, this is a gorgeous and eclectic gift book for fashion lovers.

**Women in the Picture** Catherine McCormack, 2021-11-16 Art historian Catherine McCormack challenges how culture teaches us to see and value women, their bodies, and their lives. Venus, maiden, wife, mother, monster—women have been bound so long by these restrictive roles, codified by patriarchal culture, that we scarcely see them. Catherine McCormack illuminates the assumptions behind these stereotypes whether writ large or subtly hidden. She ranges through Western art—think Titian, Botticelli, and Millais—and the image-saturated world of fashion photographs, advertisements, and social media, and boldly counters these depictions by turning to the work of women artists like Morisot, Ringgold, Lacy, and Walker, who offer alternative images for exploring women's identity, sexuality, race, and power in more complex ways.

Luxury Fashion and Culture Arch G. Woodside, Eunju Ko, 2013-03-14 Focuses on the study of how humans use high quality, highly pleasurable, and frequently rare products, services, and experiences to distinguish to themselves and others who they are as well as whom they are not - both within and across cultures.

*Feminine Threads* Annika Thomas, 2017-06-08 What happens when we become one person in the outer world, while our true feminine Self is buried below the surface? Like so many other women with this dilemma Annika Thomas, who is a designer of clothes, became over-identified with her persona. As she became conscious of this inner split, embarking on a quest for wholeness seemed like her only option. This book is the story of her dramatic journey to find, and embody, her true Self. *Feminine Threads* is an in-depth exploration of the Feminine and its connection to clothes and beauty. The personal threads of a contemporary woman's life, as well as some of her experiences beyond time and space, are interwoven with

impersonal threads of cultural, mythic, historic and psycho-spiritual perspectives. The richly adorned tapestry that emerges presents a deeper, holistic image of womanhood that helps us grasp the mystery of true Feminine Beauty.

**Gifts of Age** Charlotte Painter, 1985-10 Writer Charlotte Painter and artist/photographer Pamela Valois have combined their impressive talents to present these intimate glimpses into the lives of thirty-two remarkable women, each of whom has discovered in maturity the opportunity of exploring new and exciting challenges. These are the Gifts of Age: the time, the freedom, and hopefully the wisdom to develop creative new images of oneself and one's place in the complexities of a long life. All of the women in this book are more than sixty-five years of age, and included are such well-known personalities as Julia Child, M.F.K. Fisher, Joan Baez Senior, and Louise M. Davies. No two have followed the same path, but each has been successful in achieving some new, frequently unanticipated distinction in her latter years. Gifts of Age is a fascinating insight into just how productive one's extended life can be, and inspiration for anyone who believes that the creative talent for living need not diminish with the passage of years.
