## David Prowse

*Straight From The Force's Mouth* David Prowse, 2011-09-28 Everyone has heard of Darth Vader, the infamous Star Wars villain we all love to fear, created by George Lucas and brought to life by Dave Prowse MBE, but people may not be so familiar with the story of the multi-talented man behind the mask. It required someone exceptional to turn a helmeted costume into the principal character in the highest grossing film series in cinema history - that someone was Dave Prowse. The towering, physical presence of the 6ft 7" bodybuilder was ideally suited to personify the intimidating Darth Vader. *Straight from the Force's Mouth* takes us behind the scenes of Star Wars and documents how this extraordinary man took on the role of the menacing central character to creating one of the most iconic villains in cinema history. In this book of memoirs, Dave shares his journey from disadvantaged child and poor student to champion weightlifter and international film star. The Dave Prowse story is one of determination and hard work and in this honest account he explains how he overcame the many setbacks in his life to achieve success and global recognition. This book is a must have for Star Wars fans of all ages and will appeal to anyone who enjoys a truly inspirational and motivating real life story.

**Hughie and Paula** Christopher Green, Carol Clerk, 2004 In 1997, controversial TV star Paula Yates discovered that her true father was not, as she had believed, disgraced television personality Jess Yates, but the man who had destroyed his career--Hughie Green. Devastated, she approached Green's son, Christopher, in an effort to unravel the mystery behind her two 'fathers'. Hughie Green was a huge showbiz figure and probably the first star of British TV. His show, *Opportunity Knocks*, launched the career of Les Dawson and many others. Christopher Green's investigation, which forms the heart of this extraordinary book, uncovered many of the dark and deeply buried secrets that Paula Yates, tragically, never lived to hear.

**Bring Me the Sports Jacket of Arthur Montford** Aidan Smith, 2022-11-03 A Scotland on Sunday Sports Book of the Year Take a hilarious romp through the best and worst of Scottish footballing history. The Scot who won England the World Cup. Macaroon bars and Bovril. When Dixie Deans met Bob Marley. When Davie Robb met Olivia Newton-John. When George McCluskey met the Stones. When Rick Wakeman filed match reports for Meadowbank Thistle. Triumphs and disasters, submarines and rowing boats, War and Peace (who's read it). The Cowdenbeath kettle. The Brechin hedge. Morton's great Danes. Icarus at East Fife. The dead pigeon sketch and the amazing technicolor booze-coat. The can girls. Those who flogged

ice cream and licked Hitler. The world's oldest conjoined twins. Inside the half-time scoreboards. Our greatest goal, our greatest assist, our keepers. Scarlett Johansson! And of course Arthur Montford - commentator, curator, favourite uncle to the nation. In *Bring Me the Sports Jacket of Arthur Montford*, Aidan Smith mines Scottish football history for quirk, strangeness and charm. On a journey that takes him to Albania and also Albion Rovers, great players are celebrated and so are great characters. Rediscover old legends (not told this way before) and maybe learn about new ones. If there's a running theme it's that our game, its participants and those who watch in the rain are one and the same thing - indomitable.

**Understanding Care, Welfare and Community** Vivien Bacigalupo, Joanna Bornat, Bill Bytheway, Julia Johnson, Susan Spurr, 2005-07-08 Care, welfare and community are three key concepts in contemporary social policy. This reader covers a wide range of topics associated with them and relevant to the delivery of care and support to adults. It includes a wide-ranging collection of articles by leading writers and researchers, some previously published, some newly commissioned. It also has first-hand accounts by users and providers of care and welfare in the community. Groups covered include people with mental health problems, homeless people, older people, people with learning difficulties and people with impairments. The focus throughout is on how policies and practice can be developed appropriately and sensitively through an understanding of current issues. The 40 chapters are grouped into four sections, each with an introduction. Five of the chapters are made up of extracts from a wide range of documents and testimonies. \* Power and inequality \* Difference and identity \* Rights and risk \* Territories and boundaries Most of the material relates to a diverse turn-of-the-century Britain, but this is set in a wider context enabling the student to explore the alternative realities of other countries and other times. *Understanding Care, Welfare and Community* provides an integrated, multidisciplinary overview of the many different aspects of community care. It is appropriate for students and professionals following a wide range of courses in social work, nursing, care, health, social policy, medicine, voluntary work and welfare services. It will also be a valuable resource for carers and practitioners, teachers and policy makers.
