**The Eye of Gehenna** Stewart Wieck, Gherbod Fleming, Eric Griffin, 2003-11 The Vampire Clan Novel epic is re-presented in four beautiful trade-format volumes. The Clan Novel Saga reorganizes the chapters from all 13 novels (and the Clan Novel Anthology) in strict chronological order. Volume Two covers the chaotic month of July 1999. Atlanta and other Southern cities fall to the Sabbat, foreign assassins converge on the scene, and the animalistic Gangrel come face-to-face with the Eye to Hazimel. This volume includes all-new story by Stefan Petrucha (Dark Ages: Assamite).

Vampire Ari Marmell, White Wolf Publishing Inc, 2004 A Vampire: the Masquerade novel featuring the official end of the World of Darkness.

**The Iron Devils** Ari Marmell, 2022-01-19 Born into the horrors of a post-Pacification world, Magdalena Suarez never expected much of a life. A few decades, at best, in the slave camps, until some injury or illness rendered her upkeep “no longer efficient” for her machine overseers and their rulers, the all-seeing Eyes. Day after day of drudgery and servitude and, on occasion, danger, as she and her fellow survivors went about their assigned tasks. Except now, something has changed. Something anomalous has arisen from a lengthy slumber, something even the machines cannot comprehend. Something they, with their artificial cameras and sensors, cannot even see. Something with impossible powers, impossible strength. Something ancient that hunts only in the dark of night. Magdalena is about to discover a truth she never dared dream possible: Things yet exist in the world that may be more powerful even than the machines. For the first time in her life, she might have reason to hope for something more. But is this “anomaly” truly a potential escape, or does it promise merely a new and even more horrific sort of servitude? In the ruins of the world that was, Magdalena and the last remnants of humanity will find themselves caught in an impossible war between the mechanical and the mystical—between the unliving and the undead.

Remnants, Book One: Dust Ari Marmell, 2022-11-08 For Flight Engineer Cynthia Han and her fellow astronauts aboard the International Space Station, Expedition 81 has proved as mundane as space travel ever gets. Yes, this would be Cynthia's

final NASA mission, for reasons she's so far kept from the rest of the crew; and yes, the latest billionaire "space tourist" has managed to irritate everyone on board. Still, none of them could have asked for a smoother experience. Until the morning they wake up to silence. All communication with Earth, gone. From half a dozen different agencies with multiple installations and redundancies across the globe, there is simply... nothing. And through the viewports of the ISS, only the thick veil of churning, lightning-veined dust to suggest the Earth remains at all. Now, without ground control, without the proper telemetries or calculations or even reliable visuals, Cynthia and the rest of Expedition 81 must make their way home. It will be the most fraught and the most frightening task of their lives. But it will be nothing compared to the world that now awaits them beyond the dust.

Vampire Mark Rein-Hagen,1992 What are we? The Damned childer of Caine? The grotesque lords of humanity? The pitiful wretches of eternal hell? We are vampires, and that is enough. I am vampire, and that is far more than enough. I am that which must be feared, worshipped and adored. The world is mine -- now and forever. No one holds command over me. No man. No god. No prince. What is a claim of age for ones who are immortal? What is a claim of power for ones who defy death? Call your damnable hunt. We shall see whom I drag screaming to hell with me. Vampire is developed by Robert Hatch. Seize the night in the Storytelling game of personal horror. Vampires live their unlives in a world of deadly Archons and treacherous Tremere, where ancient Inconnu play their games against a backdrop of horrid diablerie. Into this maelstrom come the neonates, striving against all odds to maintain both their freedom and their souls.

Satanism Today James R. Lewis,2001-12-07 This authoritative reference work presents a full image of the Prince of Darkness as he appears throughout traditional theology, mythology, art and literature, and popular culture. This nonsensationalist encyclopedia examines contemporary images of the devil and sorts out the many different forms these images take. Although much of the myths relating to Satan derive directly or indirectly from the Christian tradition, the key sources of diabolical images today are horror movies, heavy metal music, and conservative Christian literature. This encyclopedia gives a brief overview depicting the history and transformation of the meaning of the Prince of Darkness, and 300 entries cover subjects like the angel of death, backward masking (messages revealed when songs are played backward), neopagan witchcraft, UFOs, and The Satanic Bible. Extensive appendixes include the 1992 FBI study of satanic ritual abuse, the most influential document ever written on the subject, as well as sample satanic scriptures and a satanic wedding ceremony. Satanism Today also includes a chronology, bibliographies, and references.

*Remnants, Book Two: Ashes* Ari Marmell,2023-03-28 The world has ended. Along with other scattered survivors,

astronaut Cynthia Han and the remainder of ISS Expedition 81 have finally learned what happened to the people they'd left behind, and it's worse than any of them could have imagined. But even if life as Cynthia knew it is over, her struggles most certainly are not. Joshua Lamb, granted strange and inhuman abilities even as civilization died around him, directs his zealots to scoop up every pocket of survivors, to offer them the simplest choice: Join or die. The nightmarish Crooked Men still hunt the darkened, hollowed cityscapes. And towering over it all, the mind-breaking obelisks with their unreadable alien message. At stake are not just the lives of Cynthia and her companions, but the last flickering embers of the human race. To succeed, not only must she learn the true purpose of the obelisks, she must come to understand that the worst of humanity's instincts and sins were never limited to us alone.
