The Encyclopedia of Religious Phenomena J Gordon Melton, 2007-09-01 An inspiring and fascinating look at people's religious experiences and beliefs. Visions of Mary and glimpses of God. Miraculous apparitions witnessed by hundreds in parking lots, along freeways, and at the world's holiest sites. Weeping statues, exorcisms, near-death experiences, mystical labyrinths, and more than 250 other unusual and unexplained phenomena, apparitions, and extraordinary experiences rooted in religious beliefs are explored in *The Encyclopedia of Religious Phenomena*. J. Gordon Melton, the Distinguished Professor of American Religious History at the Institute for Studies of Religion, Baylor University, takes readers on a tour among angels, Marian apparitions, and religious figures such as Jesus, the Buddha, Muhammad, and Tao Tzu. Melton reports on dreams, feng shui, statues that bleed, snake handling, speaking in tongues, stigmata, relics—including the Spear of Longinus and the Shroud of Turin—and sacred locales such as Easter Island, the Glastonbury Tor, the Great Pyramids, Mecca, Sedona, and much more. Each entry includes a description of a particular phenomenon and the religious claims being made about it as well as a discussion of what scientists say about it. Transcending the mundane, the entries take no sides on who is right or wrong: the journey is the experience and the experience is the journey. This fascinating encyclopedia is illustrated with 100 pictures and includes a detailed index and additional reading recommendations. It lets you experience the marvels of weeping statues and icons; exorcisms and ecstasy; the grilled cheese sandwich kit for making your own Virgin Mary image; and so much more.

Raise Your Voice Myles A. Rutherford, 2023-09-19 The Lord is calling His people to break their silence and proclaim the Gospel to everyone—right now. The Spirit of God is moving in people's hearts, prompting them to speak out against the sins and atrocities in our world. Speaking out comes with a cost. It can be challenging, unpopular, and downright lonely. You will be misunderstood. But those who speak in God's voice find peace for being faithful to his call. God has always looked for people who are willing to do what He needs done. He takes those imperfect people and baptizes them with passion to do His will. They cannot escape its clutches. God wants to say something to you and through you. He is looking for a trumpet; the raised voices of His remnant are the sounds of revival. Revival happens when repentance happens. Repentance happens when people speak the heart of God. God has voices ready to speak and bring revival to earth. Are you one of them? If you are looking for a way to unlock the words of God from deep in your soul, this book is for you.

Behold a White Horse Cisco Wheeler, 2009 My people are destroyed for lack of Knowledge (Hosea 4:6). This book is not meant for those who refuse to step out of their box, but instead cling onto their blinders, believing that the world is exactly as they have always been taught it is. Rather, it is specially written for those who discern that things are not exactly as they seem, and are dedicated to the pursuit of truth and knowledge. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places (Ephesians 6:12). Behold a White Horse is a roller coaster ride engaged in a myriad of related topics. The reader will be taken all the way back to ancient Babylon - the foundation of all secret societies, and continue on through Egypt and Rome. Other topics covered are ceremonial magick, kundalini power and evil spirits, the Talmud, Kabbalah, the apostasy of the Christian church today, alchemy, Papal Rome and the Catholic church, false prophets of the world, televangelists - wolves in sheep's clothing, & pagans in the pulpit. Who changed the truth of God into a lie, and worshipped and served the creature more than the creator, who is blessed forever. Amen (Romans 1:25) This work is spiritually based, using many scriptures. It is the prayer of the author that through careful reading of these pages, the reader can connect the dots into a whole new level of discernment to help guard against demon traps and the many devices of Satan. Knowledge is power and the truth really does set you free.

Dead Men Walking Vickie Faurie, 2002-05 Dead Men Walking brings the reader a personal invitation to embrace a revelation of knowledge that when we align with God's plan and dare to believe, we will be totally transformed. Changing priorities is a necessary step for us all. We must die to self, embracing Him in all we do. In Dead Men Walking, Vickie Faurie takes theory and translates it into practical, timely wisdom. Drawn extensively from Scripture, Dead Men Walking leads the reader to: admit a need for God submit to His Word in all areas of life, crucifying the flesh commit to follow Him, no matter where He leads. Dead Men Walking takes us away from our comfort zones, and helps us become free of sin and enter into a new relationship with Christ. About the author: Vickie Faurie was born in Waukegan, Illinois, and has been serving the Lord

since the age of eight. As a child her limbs were crippled and the doctors had given up on her. Vickie was miraculously healed by God's supernatural touch at a Kathryn Kuhlman service in Chicago. She has appeared on The Harvest Show and Sid Roth's television show, It's Supernatural. Vickie and her husband, Gary, travel and speak at various churches, are the founders of Life Touch Ministries, and resides in Broken Arrow, Oklahoma.

Jesus Doesn't Live Here Anymore Skipp Porteous, 1991-09 A nationally prominent first-amendment advocate and authority on the religious right tells of his break with fundamentalism and the growth of intellectual and moral freedom. Skipp Porteous was saved at the age of eleven by people who thought they were doing him - and God - a favor. Their actions sent him on a long, arduous inner journey. Porteous embraced fundamentalism because it provides simplistic solutions - the Bible

purportedly contains answers for everything - and, like millions of others, he needed to believe that he had found the one true religion. A leave of absence became his first step in walking away. Removed from the extreme fundamentalist viewpoint, with its narrow world view, his mind cleared. Reason and logic emerged, and for the first time in his life he was free and happy. In *Jesus Doesn't Live Here Anymore*, Porteous explains how he was deceived into becoming a born-again Christian; what he endured for so many years; how he got out; and finally, why he fights so hard against the movement today. Using the knowledge he has obtained in monitoring the religious right, he also outlines in detail what we can expect from the movement in the next decade.
