Bob Marley Quotes Sreechinth C,2016-01-08 It was in the eleventh day of the fifth month of 1981, malignant melanoma, a dangerous breed of cancer, took away the life of one of the most influential singer of the modern era, Robert Nesta Bob Marley. At that day, it was not just the 2 million Jamaicans who were shocked, the whole world wept with them, the whole world wept, hearing the early departure of the king of Reggae. Before he left us at the very age of 36, he contributed not only a collection of everlasting music, but also a cluster of memorable quotes which let us think, or feel the way he thought about the world and how he wanted us to inspire. Like we can feel Bob in his unique model songs, we can experience the mind state of Bob Marley in his sayings too. Though he perished, we can evocate his virtual self inside the realm of our mind. The book, Bob Marley Quotes, is filled with his quotations on different categories like Music, Motivation, Religion, Inspiration, Humanity, Racism, Relationship, etc. This book will be a valuable collection for anyone who is fond of him or want to learn more about Bob.

But if you know what life is worth, you will look for yours on earth. Beginnings are usually scary, and endings are usually sad, but its everything in between that makes it all worth living. If she's amazing, she won't be easy. If she's easy, she won't be amazing. If she's worth it, you wont give up. If you give up, you're not worthy. ... Truth is, everybody is going to hurt you; you just gotta find the ones worth suffering for.

I cried..I cried when you told me it was my fault...that I am the one who always causes the problems... that if we never met, your life would be better. I cried when I threatened to leave you, and instead of you trying to fight for me to stay, you retreated and told me to leave then...when i ask if everything is ok, and you lie and tell me yes..When everything you use to do made me smile, now everything you do puts me on the verge of tears..when you forget about what I like, special days we have shared, or what it felt like to love me like you used too. When you accused me of being with another person..going through my phone, checking my social networks, and asking my friends.. When i text you Goodnight, and I wait for a goodnight back, and get nothing. I cried when you said maybe we should take a break, or you don't want to see me, and when I feel like your attraction to me is fading. We kiss less..hold hands less..hug less..talk less.. You were everything i have ever wanted and more...and now were just..less..but ever since we took that break...I cry less...I'm sad less..I'm worth more..I love more...more of myself...but less of you... I cried when I realized that I let you treat me the way you did..because when I cried..you didn't care or ask why...now when you cry, I won't be by your side...and I am completely content with that.. because I deserve more..unlike what you have told me, no more tears will be shed in your memory..no more crying myself to sleep with hopes of changing your mind..because now, Iv changed mine, and for that reason, I no longer cry.... Letters from a Broken Heart Vol.1 ANTHONY. B, 2014-05-27 As humans we form relationships with others, this comes as natural as learning to walk for most people. You struggle at first but eventually you're running. The problem we have is not forming relationships but trying to maintain these relationships past the getting to know each other stage, a stage that is never ending. The hardest thing for people to do in life is to live to please someone else. Because, we are all so different in every aspect of who we are, it is almost impossible to please most people that we are in relationships with. Relationships are something we take for granted. For instance, just because you love someone doesn't make it automatic. Relationships are

something we must work at to become successful. We spend years preparing ourselves to achieve and maintain a satisfying career, but we do very little when it comes to maintaining a loving relationship. Some things we can learn naturally, being in a long-term relationship is not one of them. I hope by you reading these few words it will encourage you to stop taking your relationship, the people you love, their feelings for you, and your feelings for them, for granted. What you put in your relationship is what you will get out of it.
