**Lingjun Ying**

**Pardon** Hector Rodriguez, 2010-05-06 POWERFULL... COMPELLING... INSPIRATIONAL... These words come to mind after becoming immersed in this true story of Hector Rodriguez whose Mother left when he was only nine months old. His Father turned to alcohol to escape the responsibilities of raising seven children by himself in New York City. By the age of ten, his gang had become his family and by fourteen he was already a street hardened criminal. In a desperate attempt to get him off the streets, his father sent him to Vietnam where he learned to kill without remorse. After his tour of duty, he found his way back to the streets of New York where he became the ruthless leader of a very large and powerful drug gang. Though God had been calling him since he was twelve, the devil had already ensnared him with drugs and money. Then the one time he showed mercy on someone, it led to a series of life changing events which allowed him to finally hear God's voice. Upon hearing God's word and feeling his peace and grace, the thick walls of anger around Hector finally crumbled to dust. With the same intensity he put into building his drug empire, he now used to build God's empire. This book will move you to tears, make you laugh until it hurts, and fill you with so much inspiration that if you open yourself to its message, it can and will change your life. Very few stories will keep you on the edge of your seat while offering so much in return. Pastor Hector Rodriguez is a true apostle for God and his story has already inspired so many to change their ways and follow the path of light, just as it has done for me. Joseph Dinan Jr. Editor

**Song Hits** Milson Aonan, 2016-01-10 Compiled for your guitar playing and singing pleasures! More than 8000 songs: Including New Top Hits, Billboard Top Hits 60s, 70s, 80s, 90s, 2000s, Acoustics, Love Songs, Alternative Rock, OPM, POP and many more.

The Passion of Martin Scorsese Annette Wernblad, 2014-01-10 From his earliest shorts to his recent feature films *The Departed* and *Shutter Island*, this book offers an in-depth analysis of the deepest archetypal themes, symbols, and structures in Martin Scorsese's entire body of work. It examines each of Scorsese's films as a mythological journey through which the main character is offered an opportunity for psychological and spiritual enlightenment, focusing especially on how each character is led to recognize, accept, and embrace his or her flawed traits. The book also explores the ways in which Scorsese's films incite extreme reactions and strike deep chords within his viewers, particularly by speaking the language of the unconscious and forcing readers to examine their own hidden flaws.

*When Jack Was with Us* B. K. Holway, 2009-05 Urban realism in the tradition of E.L. Doctorow, William Kennedy, Philip Roth and Jimmy Breslin, *When Jack Was With Us* immerses the reader in neighborhood life in New York City from the late 1950's through the late 1960's. Unlike many other novels by Baby Boomers, this novel makes no attempt to sugarcoat or nostalgize; it presents life as the author saw it while growing up, in all its beauty and all its brutality. There is no single protagonist; a number of characters whose lives intertwine each seek to make the best out of their lives amid the rich and often volatile ethnic tapestry of New York, against the backdrop of social change as the novel moves from the somnolent 1950's through the turbulent 1960's. Each character struggles and finds his/her damnation or redemption amid a city that personifies a nation in flux. It is a coming of age not only for the characters but for the greater American collective psyche.
