Alarmstart South and Final Defeat Patrick G. Eriksson,2019-10-15 The personal reminiscences of Luftwaffe veterans and original documents and images give a unique insight into the Mediterranean theatre and late aerial war battles.

Alarmstart East Patrick G. Eriksson,2018-10-15 The experiences of the German fighter pilots in the Second World War, based on extensive recollections of veterans as well as primary documents, and diary and flying log book extracts, with photographs from the veterans themselves, many never previously published.

The Americanized Luftwaffe by Billy Bieler Billy Bieler,2016-04-11 The Americanized Luftwaffe by Billy Bieler The Luftwaffe, a significant component of the late German Armed Forces (Bundeswehr) and arguably one of the major pillars of the Atlantic Alliance, thanks to its size and positioning within NATO, served as an influencer of change in the post-Cold War and Reunification periods. Although Luftwaffe was certainly influenced by old squads and their merits, it accomplished much for the new democracy, thereby contributing to the preservation of peace. The Americanized Luftwaffe explores all aspects of the post-war Luftwaffe, from its weapon system effectiveness and fighter weapon systems characteristics to its significant partnership with the United States Air Force. Through in-depth analyses of Luftwaffe's aircraft performance, deficiencies of the operational spectrum, and the complexity of its weapons systems, much of which were developed in the latter part of the last century, The Americanized Luftwaffe demonstrates the extraordinary undertaking involved with both the reorganization and buildup and the tactical weight and importance of the Luftwaffe within the alliance.
