Malone Mystery Novels Box Set Larry Darter, 2018-05-10 If You Love Harry Bosch, Robert B. Parker's Spenser, Philip Marlowe, Jack Reacher—it's time you met Los Angeles private eye, Ben Malone. He's a street-wise, smart-mouthed tough guy, but with a heart of gold. Three complete novels, and over 900 pages of lightening-paced thrills, suspense, and action. Come What May Inspired by a shocking true story. LAPD homicide detective Ben Malone is transferred from Hollywood Division to the Cold Case Homicide Unit after being involved in a spate of officer-involved shootings. Once he comes to terms with the transfer, Malone and new partner detective Jaime Reyes start digging into a 23-year-old murder case. The deeper they dig, the more obvious it becomes that the original investigators had the murder theory all wrong. But, as Malone and Reyes keep digging up bones, it soon becomes apparent that powerful forces both inside and outside the LAPD want this body to stay buried. A high stakes thrill ride through the seamy side of Los Angeles. Fair Is Foul and Foul Is Fair Former LAPD homicide detective Ben Malone has taken over the private detective agency of a dear, deceased friend. When a drop-dead gorgeous socialite with a wad of cash walks into Ben Malone's office with a sordid tale to tell, he does what any self-respecting private investigator with rent to pay would do – he takes the case. But soon, Malone realizes things are not always as they seem, and he may have bitten off more than he can chew. The clock is ticking. Lives are on the line. Will Malone stop this runaway train of destruction and untangle the web of criminal wrongdoing in time, or die trying? Cold Comfort One of Tinseltown's brightest stars has been murdered. The accused is her estranged husband, bad-boy actor Zack Sinclair, whose appetites for booze, gambling, and extramarital sex are as outsized as his ego. His situation doesn't look good. With next to no alibi, and on the hook to his bookie for a quarter million bucks, as sole heir to his wealthy wife's estate, Sinclair had multi-million reasons to kill his wife. But, Sinclair's attorney believes he is innocent, at least of murder. She hires LA private investigator Ben Malone to prove it.

Bond of Brotherhood Michael Walzak, 2005-11 Blake Brown eased his car out of the parking lot and onto the highway. Unseen, the idling evil slowly left its resting place to follow discreetly behind him. Blake rounded corners and went through lights and the black, metallic beast stayed on his tail. As Blake finally turned into his apartment complex, his shadow turned with him. He never noticed the sleek beast behind him as he pulled into his parking spot and turned off the ignition. The evil trailing him inched to a stop on the other side of the parking lot. Blake turned to walk across to his building. Just as he

started across the lot, the black car started again. It honed in on him. It moved gracefully through the lot, smelling blood in the water. As it got close to Blake, it slowed, menacingly creeping toward him. The window lowered silently. Blake, sensing its presence, turned and his eyes lit with a hint of recognition. 'Squ? was all he got out. Before he could finish the sentence, three shots quietly erupted from the silencer- equipped gun inside the black car. Blake Brown staggered backward. He was hit three times in the chest. The deal was off.
