Is God Is / What to Send Up When It Goes Down Aleshea Harris, 2022-04-05 “Furious and incandescent... Harris writes so blisteringly that the actors could just let the language’s flames carry them along.” —Helen Shaw, Time Out New York on Is God Is An explosive epic that examines the cyclical nature of violence, Is God Is follows twin sisters who undertake a dangerous journey to exact revenge upon their father at the behest of their dying mother. “Aleshea Harris turns theater into a monument, ephemeral but real, to ongoing pain. You can’t tear down a statue that never shows up outside.” —Vinson Cunningham, New Yorker on What to Send Up... What to Send Up When It Goes Down is a play-pageant-ritual response to anti-Blackness in America. It is a challenge to us all: to heal through expression, expulsion, and movement.

seven methods of killing kylie jenner Jasmine Lee-Jones, 2021-08-24 Look it's two-two tweets that helped me vent my frustrations. It's really not that deep... Holed up in her bedroom, Cleo's aired twenty-two Whatsapps from Kara and has cut off contact with the rest of the world. It doesn't mean she's been silent though – she's got a lot to say. On the internet, actions don't always speak louder than words... *seven methods of killing kylie jenner* explores cultural appropriation, queerness, friendship and the ownership of black bodies online and IRL. Jasmine Lee-Jones's award-winning play premiered at London's Royal Court Theatre in 2019 and transferred to the Jerwood Theatre Downstairs in June 2021.

Women Experimenting in Theatre Kate Aughterson, Deborah Philips, 2024-11-14 This collection of essays, covering a broad historical range, shows that women working in theatre and drama since the time of Aphra Behn have been engaged in pushing the boundaries of conventional representation and dramaturgical convention. Collectively the authors show that women have used performing spaces as a channel for both political and personal radicalism - one that has demanded and celebrated experimentalism as a kind of survival in a male dominated world.

The Methuen Drama Handbook of Women in Contemporary British Theatre Marissia Fragkou, Rebecca Benzie, 2025-02-06 This handbook provides a detailed exploration of the rich and diverse theatrical work produced by women in the first two decades of 21st-century British theatre. The book explores key issues and methodologies relevant to women working in the UK's theatre industry, including the legacies of feminism and its role in shaping contemporary work by

women, the politics of visibility and inclusion in theatrical institutions, and collaborative strategies in creating original work. It closely examines how women in contemporary British theatre tackle urgent social issues such as environmental risk, the representation of marginalized identities and mental and physical wellbeing. Chapters by both established and early-career scholars from a variety of international contexts present new perspectives on significant questions and issues underpinning women's work in 21st-century British theatre by engaging with contemporary debates from theatre and performance studies and cultural theory. A concluding roundtable with women theatre practitioners addresses key questions pertaining to their work, including working conditions, the politics of funding and of ageing, disability and care. With a foreword by the Guardian's chief theatre critic, Arifa Akbar, and featuring research tools such as introductions to sections, a detailed list of sources and an annotated bibliography, this is an authoritative study for anyone with a keen research interest in the distinct contribution of women to contemporary British theatre and performance.

The Kilroys List, Volume Two Annah Feinberg and Gina Young for The Kilroys, 2020-05-19 The Kilroys: We Make Trouble. And Plays. When I look at the list of women and nonbinary writers included in this volume, many of whom I have mentored or taught, it is a beautiful reminder that we are a community to be reckoned with, and that there is an abundance of vital narratives awaiting a larger audience. While there remains a great deal of work to be done to reach racial and gender equity in the theater, the powerful and provocative writing presented here is part of the inciting incident that will no doubt shake up the status quo. —Lynn Nottage, from her Foreword The Kilroys are back with a new collection of 67 monologues and scenes by women and nonbinary playwrights. This collection includes a monologue or scene from each play from the 2016 and 2017 editions of The List.

What To Send Up When It Goes Down Aleshea Harris, 2019 As lines between characters and actors – as well as observers and observed – blur, a dizzying series of vignettes builds to a climactic moment in which performance and reality collide, highlighting the absurdity of anti-Blackness in our society. Through facilitation and dialogue we must decide how to cope, resist, and move forward.
