It Was Me All Along Andie Mitchell, 2015-01-06 NEW YORK TIMES BESTSELLER A heartbreakingly honest, endearing memoir of incredible weight loss by a young food blogger who battles body image issues and overcomes food addiction to find self-acceptance. All her life, Andie Mitchell had eaten lustily and mindlessly. Food was her babysitter, her best friend, her confidant, and it provided a refuge from her fractured family. But when she stepped on the scale on her twentieth birthday and it registered a shocking 268 pounds, she knew she had to change the way she thought about food and herself; that her life was at stake. *It Was Me All Along* takes Andie from working class Boston to the romantic streets of Rome, from morbidly obese to half her size, from seeking comfort in anything that came cream-filled and two-to-a-pack to finding balance in exquisite (but modest) bowls of handmade pasta. This story is about much more than a woman who loves food and abhors her body. It is about someone who made changes when her situation seemed too far gone and how she discovered balance in an off-kilter world. More than anything, though, it is the story of her finding beauty in acceptance and learning to love all parts of herself.

*Summary of It Was Me All Along* SellWave Audio, 2025-11-13 All her life, Andie Mitchell had eaten with abandon. Food was her comfort, her companion, and her escape from a fractured family. But on her twentieth birthday, the scale read 268

pounds, and she realized her relationship with food—and with herself—had to change. *It Was Me All Along* follows Andie from working-class Boston to the romantic streets of Rome, chronicling her transformation from morbidly obese to half her size. More than a story about weight loss, it is a journey of self-discovery, learning to find balance in an off-kilter world, and embracing all parts of herself with acceptance and love.
